35 cents

Firefighters from around the county took advantage of a car extrication course held in Minden, last week. The course, sponsored by the Ontario Fire Marshall's

office, gave the men a chance to use a large number of extrication tools. For story and more pictures please see page 2.

Business hours still a concern

Council wants more opinions before drafting by-law

by SUE COOPER
Echo Editor

After hearing that Sunday business hours of grocery stores in Minden village will hurt one convenience store and not affect another's business, Anson, Hindon and Minden want other convenience store owners and interested citizens to come forward with their views before a decision on Sunday openings is made by council.

While council listened to the concerns of three business owners in the town area, at the regular council last Wednesday, councillor Ed Pergolas suggested the township should advertise for input from area businesses. Businesses that might be affected by the Sunday opening of the Minden Red and White, owned by Mike Easton, were contacted by township clerk Elinor Burke, but only Mike Vuksic of Mike's Milk and Mac Wolfram of Mac's attended the meeting. Easton was present at the meeting to make his pitch to council.

Presently, the Red and White is open from 12 noon until 5 p.m., Sunday, but Vuksic feels the store should be restricted from opening that day since it will encourage the other grocery

store owners in Minden to open Sunday and in turn, Vuksic feels, hurt his convenience store business. Mike's Milk is located beside the IGA on Bobcaygeon Road.

"Mike's (Easton) stores are open seven days a week, same as mine, convenient, what is there, really, for the 'convenient store'?" Vuksic asked the council. He told the members that since the Red and White store in Haliburton, also owned by Easton, opened Sundays five years ago it has hurt his convenience store in that community.

He said shoppers do not buy grocery items in his store when the larger store is open. But Easton countered this argument by saying that his store offered items that could not be purchased in convenience stores such as fresh fruit, vegetables and meat. He told council towns should be catering to the tourists

and stay open Sunday. "It's definitely opened up the town (Haliburton)," Easton told the council.

"If everyone opens on Sunday you're going to have problems with the churches," Vuksic warned the council. However, Easton said the congregations in Haliburton had not objected and added that most of the services are in the morning before the store opens.

Easton said he had planned only to stay open Sundays for nine weeks during the summer months.

Councillor Lyle McKnight was concerned that the town might harm its business community if the grocery stores took the extra business away from the convenience stores in the summer and could force the smaller stores to close in the winter months. He said in that event there would be no businesses open on Sunday.

Councillor Ed Pergolas said he had attempted to get

direction from the Business Improvement Area (BIA) board of directors but "they wouldn't touch it with a 10 foot pole."

Reeve Lloyd Walker was concerned about council's right to legislate the business hours. Since the area catered to tourists, businesses are allowed to open on Sunday.

Council is considering implementing a by-law that would regulate food service stores of a certain size to be open Sunday. When the by-law was discussed in 1980, businesses felt stores larger than 1,500 square feet would be allowed to open Sunday. The provincial statute suggests stores of 2,400 square feet and less can be regulated.

Stores with more floor area would have to rope off sections of the store to the public.

Easton suggested Minden could contract Dysart et al council to obtain a copy of the

Please turn to Page 2

A, H, M allocates \$5,720

Anson, Hindon and Minden has allocated \$5,720 to cover the costs of a feasibility study to determine the costs of improvements to downtown Minden.

Stu Brandon, executive member of the Business Improvement Area (BIA) asked council to withdraw money for the study, to be conducted by Totten Sims Hubicki consultants, from the \$10,000 planning reserve fund that was established in the municipality's 1982 budget.

According to estimates provided by Gord Crosbie of the consulting firm, the break down of the study costs are: \$4,000 to determine the feasibility of connecting Main Street, Milne Street and South Water Street as a through traffic route and to discover the effects of closing Newcastle Street and providing a cul-de-sac; \$500 to prepare a preliminary plan of

the main street business area to show the extent of 800 feet of sidewalk construction, new curbs and gutters and the effect of the changes on drainage and parking (the municipality requested that the study also look at the feasibility of extending sidewalks to the Red Cross Hospital and the Senior Citizen's Apartments); \$750 to review the extent of all other sidewalk construction and to prepare plans and estimates if necessary; \$500 to survey parking lots, extensions and proposed walkways.

Brandon told council the BIA board did not feel the study should include streetlights or a master plan of the proposed South Water Street area at this time.

Draft report made public by MNR at open houses

The draft report of the Ministry of Natural Resources (MNR) district land use strategy will be discussed at an open house in Minden Saturday.

MNR staff members, who have collected and analyzed information for the strategic land use planning program, will discuss the public's concerns from 10 a.m. until 5 p.m. at the Anson, Hindon and Minden municipal offices.

If unable to attend, concerned residents are requested to submit their comments to the Minden District MNR office before August 31.

"The strategy will guide the Ministry's programs in the area to the year 2000. It identifies how the future demand for resources can be met by the wise management of resources on both crown and private land," according to Don White, district manager.

After the open houses, which are being conducted across southern Ontario throughout the month of August, the public's comments will be taken into consideration. Please turn to Page 2

Hospital report unveiled

Minden, Haliburton twinned with St. Joseph's

by SUE COOPER
Echo Editor

The Red Cross Hospitals steering committee has recommended that the Ontario Red Cross and the Ontario Ministry of Health accept St. Joseph's Hospital's offer to twin with Red Cross Hospitals in Minden and Haliburton. The announcement was made at a public meeting in Minden, last Wednesday night.

The steering committee members, Jim Swanston, district health council, Murray Fearrey, reeve Dysart et al, Lyle McKnight, councillor Anson, Hindon and Minden, Ken Morley, Haliburton Red Cross Society, Jim Burton, Minden Red Cross Society, Stu Brandon, Minden, Pat Kennedy, Haliburton, Ray Cox, Kinnmount, Ed Pettinger, Lutterworth, Don Moir, Lindsay and Dr. Maurice Clark, Peterborough, agreed unanimously to accept St. Joseph's twinning proposal at a meeting July 7.

In its recommendation the Red Cross Hospitals steering committee suggested to the Haliburton, Kawartha and Pine Ridge Districts Health Council that "the concept of twinning of the Haliburton and Minden Red Cross Hospitals with a larger institution be endorsed; the concept of twinning of the Haliburton and Minden Red Cross Hospitals with St. Joseph's General Hospital be endorsed; the Board of the Red Cross

Hospitals enter into negotiations with St. Joseph's General Hospital; the Ministry of Health be part of these negotiations; local medical/nursing/community representatives be part of these negotiations where appropriate; guidelines concerning twinning considered by the steering committee be brought to the attention of the negotiating parties; guideline included in St. Joseph's General Hospital's proposal for merger be accepted for negotiations; the recommendation of the Red Cross Hospitals steering committee be presented for information at a public meeting."

In his speech to the audience at Archie Stouffer Public school, steering committee Jim Swanston said a number of alternatives were considered before the twinning proposal was accepted as the best move.

"The Ministry of Health would not entertain or consider the formation of a board for each of Haliburton and Minden, nor would the ministry consider one board for both Haliburton and Minden. In the ministry's opinion, this would not be an efficient approach and the steering committee had to back-off this approach," Swanston explained.

He said the committee had considered a merger with the Bancroft Red Cross Hospital but because it was located in Hastings County and not served by the Haliburton,

Kawartha and Pine Ridge District Health Council, Bancroft municipal officials "felt strongly that the Bancroft Hospital should strengthen its relationship with Belleville General Hospital."

As well, the committee had reviewed the possibility of establishing a Health Services Organization that would link the hospitals with an institution like Hyland Crest Home for the aged. This proposal met with many stumbling blocks including that the home of the aged has a different mechanism of physician reimbursement and that it also falls under a different ministry.

Swanston told the audience a small group of the steering committee met with members of Ross Memorial Hospital in Lindsay, Peterborough Civic and St. Joseph's Hospital in the autumn of 1981. "The two hos-

pitals in Peterborough indicated that they wished to pursue this idea (twinning) with the steering committee. Ross Memorial, in Lindsay, indicated they were not interested in twinning unless both hospitals in Peterborough said no to our request," Swanston said.

"When it seemed negotiations leading to amalgamation with one of the Peterborough hospitals were progressing the steering committee developed these principles: 'that one individual from each of Minden and Haliburton become members of the board of trustees of the recipient or larger hospital; that a local physician from this area become a member of the Medical Advisory Committee of the recipient hospital. Additionally all physicians practicing at the Minden and Haliburton hos-

Stanhope receives \$7,320 to update zoning by-law

Stanhope Township has received \$7,320 grant from the provincial government to update the township's zoning by-law.

The grant, announced by the Ministry of Municipal Affairs and Housing, allows consultants to prepare a planning appraisal of zoning research and data gathered in the township. If council

feels the appraisal proves a new zoning by-law is needed rather than amendments or revisions, that would be the next step taken.

The present zoning by-law was passed in 1977, although because of problems the data for the by-law was gathered in 1969 and 1970 but never accepted until seven years later.

Visitors to Monmouth arena were treated to a show of rocks and minerals at the annual Rockhound Fair. Exhibitors brought specimens from around the world.

While some rocks were still in their rough form others were polished to perfection. The fair lasted from Friday night until Sunday.

Huskie wins again

Owners split \$33,570 purse

Until recently, it could have been said that horse racing was not a popular sport in Haliburton County. That was until Haliburton Huskie began his racing career and captured the public's eye.

The two-year old colt, owned by Minden real estate developer Gary Vasey and Marg Magnusson, claimed its second stakes win in its third lifetime race, Saturday.

Huskie, named after the local Junior C hockey team has won \$79,050 in three starts, in a little over a month.

His third win came at the \$55,950 Vandal Stakes at Fort Erie, Saturday. The winner's share of the purse was \$33,570. It was the colt's second stakes win in two weeks.

Huskie won the stakes 1 1/2 lengths ahead of Nac Elles' Pal, rated 40 to 1, and third place finisher, just by a nose, was Canadian Quote rated at 60 to 1. The odds-makers rated Huskie at 6 to 5.

Haliburton Huskie was top-weighted in the race at 122 pounds, up to seven pounds over most of the other horses in the field. David Clark rode the horse to victory.

Trainer Glenn Magnusson, husband of the co-owner Marg Magnusson, plans to enter the colt in the \$75,000 added Yearling Stakes at Woodbine, September 6.

With a number of races left to go this season, Huskie has a chance of claiming Canada's best two year old title.

The fair is agricultural showcase

The 118th edition of the Haliburton County Fair is the best bet for entertainment in the highlands this week-end.

With a long history of providing first class agricultural-oriented entertainment and a host of carnival activities, the fair offers fun for the entire family.

Action at the fairgrounds, just north of the downtown core of Minden on Bobcaygeon Road, begins early at 9 a.m. Saturday when the display building opens to the public. Filled with prize winning entries of flowers, vegetables, and crafts and arts, it will take visitors a reasonable amount of time to view all of the local wares in the exhibit hall.

The light horse show line classes begin the first competitions at 9:45 in the horse ring on the fairgrounds.

The midway opens at 11 a.m.

The centre of the fair moves downtown at 12 noon as the annual parade travels down main-street from the Wrightman Realty lot. As the crowds are drawn back to the fairgrounds, the fair will officially open. Immediately after the opening

ceremonies, the judges will choose the Queen of the Fair.

Also at 1 p.m., the light horse performance and game classes get underway as does the heavy horse show.

At 1:30, the cattle show begins, followed by the sheep and goat shows at 2 p.m.

Amongst all the other activities in action on the fairgrounds, the afternoon matinees on the grandstand provide lively music for the fair. From 2 to 2:45 p.m. and 3:15 to 4 p.m. Harold McIntyre and Area Code 705 will perform.

All afternoon, from 12 noon until 6 p.m., the local 4H club presents its display.

At 4 p.m. the heavy horse draw begins in the centre horse ring.

The music of Harold McIntyre and Area Code 705 provides lively accompaniment for the merry-makers at the fair dance on the lower level of the community centre Saturday evening. Admission is \$5 per person.

Sunday events begin later in the morning with the midway opening at 11 a.m.

At 1 p.m., the lighthouse roadster and carriage

Firefighters learn car extrication

Ontario Fire Marshal sponsored week-long seminar in Minden

Twenty men, including members of volunteer fire departments in Haliburton County, participated in an auto extrication course sponsored by the office of the Ontario Fire Marshal, in Minden last week.

Along with theory and first aid instruction the men learned to use equipment that is necessary to release people who are trapped in a car after an accident.

The practical instruction was depicted in life-like situations at Brown's Auto Wreckers, just north of Minden on the Bobcaygeon Road. Cars were rolled over into trenches, slid over banks and collided with other vehicles to give the rescuers the true feeling of an accident scene. Members of

the class not involved in the rescue acted as victims of the accidents and the seriousness of their injuries and the best method of stabilization had to be decided by the firemen.

The firefighters had the opportunity to use manual hydraulic spreader, pry-axe combination, manual cable winch, rescue chain set, air gun kit, bolt cutter, metal shears, hack saw, key hole saw, adjustable pliers, screw drivers and carpet knives in their attempts to rescue the victims from the smashed vehicles.

Safety and team work were the most important aspects of the one week course. Diplomas were presented to the men by the fire marshal's office officials, Friday afternoon.

Fire department officials presented graduates of the car extrication course with certificates in a ceremony Friday afternoon in Minden. Pictured are, front row, left to right: Anson, Hindon, Minden fire chief Deke Jackson, Bill Wilson of the Fire Marshal's office, Ken Jones, Mo Douglas, Ken Potter, Bill Bowles, Tom Tennant, Bill Bowman. Second row: Jim Greenwood,

Dysart et al fire chief Howard Roberts, Buck Hillis, Anson, Hindon, Minden deputy-reeve Doug Pritchard, Tim Pritchard, Duane Lennie, Gerry Poirier, Buck Baker, John Muise, Miles Maughan, Steve Roberts. Back row: Doug Bates, Arnold Graham, Jim Bolan, Peter Hall, John Hogg and Pete Diller.

Firefighters, who participated in the car extrication course, sponsored by the Ontario Fire Marshal's office, discovered the week-long course incorporated a lot of work. Here the men lift a roof of a car that has

been involved in a simulated accident. Brown's Auto Wreckers supplied cars and the open-air classroom.

A,H,M hold August council meeting

The regular council meeting of Anson, Hindon and Minden was held last Wednesday in the Municipal Council Chambers.

The minutes of the meeting held on July 26 and 28, 1982 were adopted as circulated.

Ray Trumbull was present to discuss the Scotch Line Landfill Site and the tender for maintenance of same.

Bruce Nesbitt attended to request repairs to a dangerous corner on the Bethel Road. Council is investigating this matter.

Council discussed the status of the road servicing property in Lots 10 to 12, Concession 3 of Anson Township and considered a

letter from Fraser Rogers of Bishop and Rogers.

Arthur Turner, a permanent resident in that area reported that the road had been maintained by the township for many years and strongly opposed any attempt to close the road.

Council suggested that the public carry-in boat launch be deleted from the water access map to alleviate the concerns of the ratepayers in that area. The township will continue to maintain the road as in the past.

Irene Moore was appointed to the Museum Committee for the balance of the 1982 year.

Mike Easton of Minden Red and White and Mike

Vuksic of Mike's Milk were present regarding a proposed by-law to prevent stores with a floor area of 1,500 square feet from opening on Sunday pursuant to the Retail Business Holidays Act, 1975.

Council felt that more businesses than those in Minden could be affected by the proposed by-law and therefore suggested an ad be placed in the newspaper advising all store operators of the proposal and requesting

written comments or objections.

S. Brandon attended Council on behalf of the Minden B.I.A. Board of Management and reviewed with Council the various items that in the Board's opinion required a study and detailed report.

Council authorized that \$5,750 be withdrawn from the Planning Reserve Fund in 1982 for the purpose of engineering services related

Briefly ...

Lost driver hit

Two cars collided on Highway 118 in Haliburton village, when one of the drivers stopped to ask directions, last Monday.

A 1977 station wagon, driven by David Elstone, 19 of the Haliburton area, sustained \$1,800 damage to the front end.

The vehicle driven by John Gillies, 33 of Thornhill, received \$2,200 damage to the rear of the car. His passengers, Brenda Gillies, 34, and Debbie Gillies, 9, were injured slightly.

Gillies was charged with stopping his vehicle while it interfered with other traffic.

Lost items unclaimed

Unclaimed items at the Minden OPP station range from a 10-speed bicycle to a 10 foot aluminum canoe and an electric lawnmower.

If the owners of these items can properly identify them, they should contact the Minden Detachment.

Police hold search warrant

With a search warrant in hand, police seized 92 marijuana plants and a small greenhouse at a Dysart Township residence, last Wednesday.

David Edward Kay, 33, was charged with possession of a narcotic.

General occurrences drop

General occurrences investigated by the Minden detachment of the OPP dropped slightly in the second week of August.

Staff members acted on 105 occurrences, including seven break and enters, seven noise complaints, seven thefts, five damage occurrences, and two impaired drivers.

Three people were injured in nine motor vehicle accidents.

Moose hit on Hwy. 118

Two Belleville men were only slightly hurt, when their car hit, and killed, a moose on Highway 118, 16 kilometres west of Carnarvon last Monday.

Cameron Lee Baxter, 48, failed to see the animal standing in the east bound lane of the highway. It was 9:15 p.m. when the accident occurred.

His passenger, Timothy Baxter, 17, received minor injuries from flying glass.

Damage to the roof and windshield of the 1980 Volkswagon was estimated at \$600.

More business input needed

from page 1

by-law that municipality passed in 1976.

However, Vuksic told council if it was willing to let Easton open Sunday it shouldn't restrict the floor area. "If you're going to let him open, let him open," he said.

Wolfram, who has a convenience store on Bobcay-

geon Road, said the opening of the grocery stores doesn't affect her business since she carries few groceries. "It doesn't matter who is going to open, it isn't going to hurt us," she said.

Council will advertise for comments or objections concerning Sunday business hours in the village.

MNR open house

from page 1

ments will be considered, the land use strategies will be completed.

The ministry urges everyone to attend the session.

Good weather graces Airport fly-in

Canadian Armed Forces, Lazaire pilots and Stearman Aero delight crowd

Good weather, a large crowd and skilled performers came together to make the Stanhope Airport fly-in and airshow a success, Sunday.

With the large spectating area for the airshow filled to near capacity, the pilots provided an excellent performance.

The air show began with impressive passes made by the Canadian Armed Forces two T33 jets. The pilots demonstrated the jets' manoeuvrability at both low and high speeds.

In striking contrast to the jets, the radio controlled model airplanes took to the sky in the next demonstration.

Slow moving, lightweight Lazaires performed for the crowd next. The innovative design made the easy-to-construct airplanes look more like they just flew out of the movie "Those Magnificent Men and Their Flying Machines", than newly developed aircraft.

Weather was perfect for the glider demonstration, with the pilot taking full advantage of the air currents. With the synchronized background music turned off, the crowd was treated to the peaceful and exhilarating sound of "silent flight".

The radio controlled models along with the lazaires put on encore performances for the spectators.

An Armed Forces helicopter provided a close-up view of the flying techniques of the Canadian air force.

The grand finale of the air show was Nick Daniel's aerobatics performance with a Stearman Aero. The airplane, originally built in the 1930's, was recently reconstructed to proper running condition.

Along with the many airplanes that flew in for the show, an antique car display was on the ground. A craft display was set up in the hanger.

After the airshow The Jeff Barry Band performed.

COMMENT

Editorials

A philosophy

"We respect the dignity and worth of each person regardless of social or economic status, race, colour or religion. We believe dignity and worth are not lessened because of age or any mental or physical condition and are present in every human life at every stage."

Statement of Philosophy St. Joseph's General Hospital

The announcement, this week, that Red Cross Hospitals in Minden and Haliburton will in all likelihood be "twinned" with St. Joseph's General Hospital in Peterborough, when the Red Cross Hospital Board of Toronto releases control of the reins of power next year, came as a bit of a surprise.

During the last year of talks that the local steering committee conducted, most residents thought the Ross Memorial Hospital in Lindsay or Civic Hospital in Peterborough would take the small community hospitals under their administrative wings. However, it was St. Joseph's board of trustees that took the most aggressive approach to the twinning offer as the other hospitals backed away from the issue saying they would consider a merger if the other hospital would not accept Minden and Haliburton's facilities.

On the surface the recommendations made by the steering committee and St. Joseph's proposal of merger, agree on the organization of the new hospital administration although exact details have not been settled on yet. Local doctors, residents and nursing directors will have input into matters concerning the hospital and specifically the discussions which affect Minden and Haliburton hospitals.

As the proposal was outlined at a public meeting in Minden last Wednesday evening, members of the audience seem confused as to the role St. Joseph's Hospital would play at the local level.

It is doubtful that visitors or patients in the local hospitals will notice any change in administrations. The local women's auxiliary will continue on as it has in the past, memorial donations will be directed to the local hospitals and patients, who need more intensive care, will be transferred to the hospital of their, and their doctor's choice.

The "twinning" with St. Joseph's does not imply that all patients needing out of town care will be transferred to that facility. As in the past, patients will be taken to the facility that can give them the best care for their particular affliction. There will be no more pressure to transfer a patient to St. Joseph's than there was to take the ill to the Red Cross hospitals board offices in Toronto.

It is purely an administrative and supportive role that St. Joseph's general hospital will assume. The operation of purchasing, personnel, records and financial services will be integrated with those of St. Joseph's in a similar way as the Red Cross has been operating the facilities.

While there will be little day-to-day differences in the operation of the hospital, the future will be more secure with St. Joseph's affiliation than it has in the past three years with the Red Cross. The Peterborough Hospital has committed itself "to maintain primary acute care hospital services in the communities".

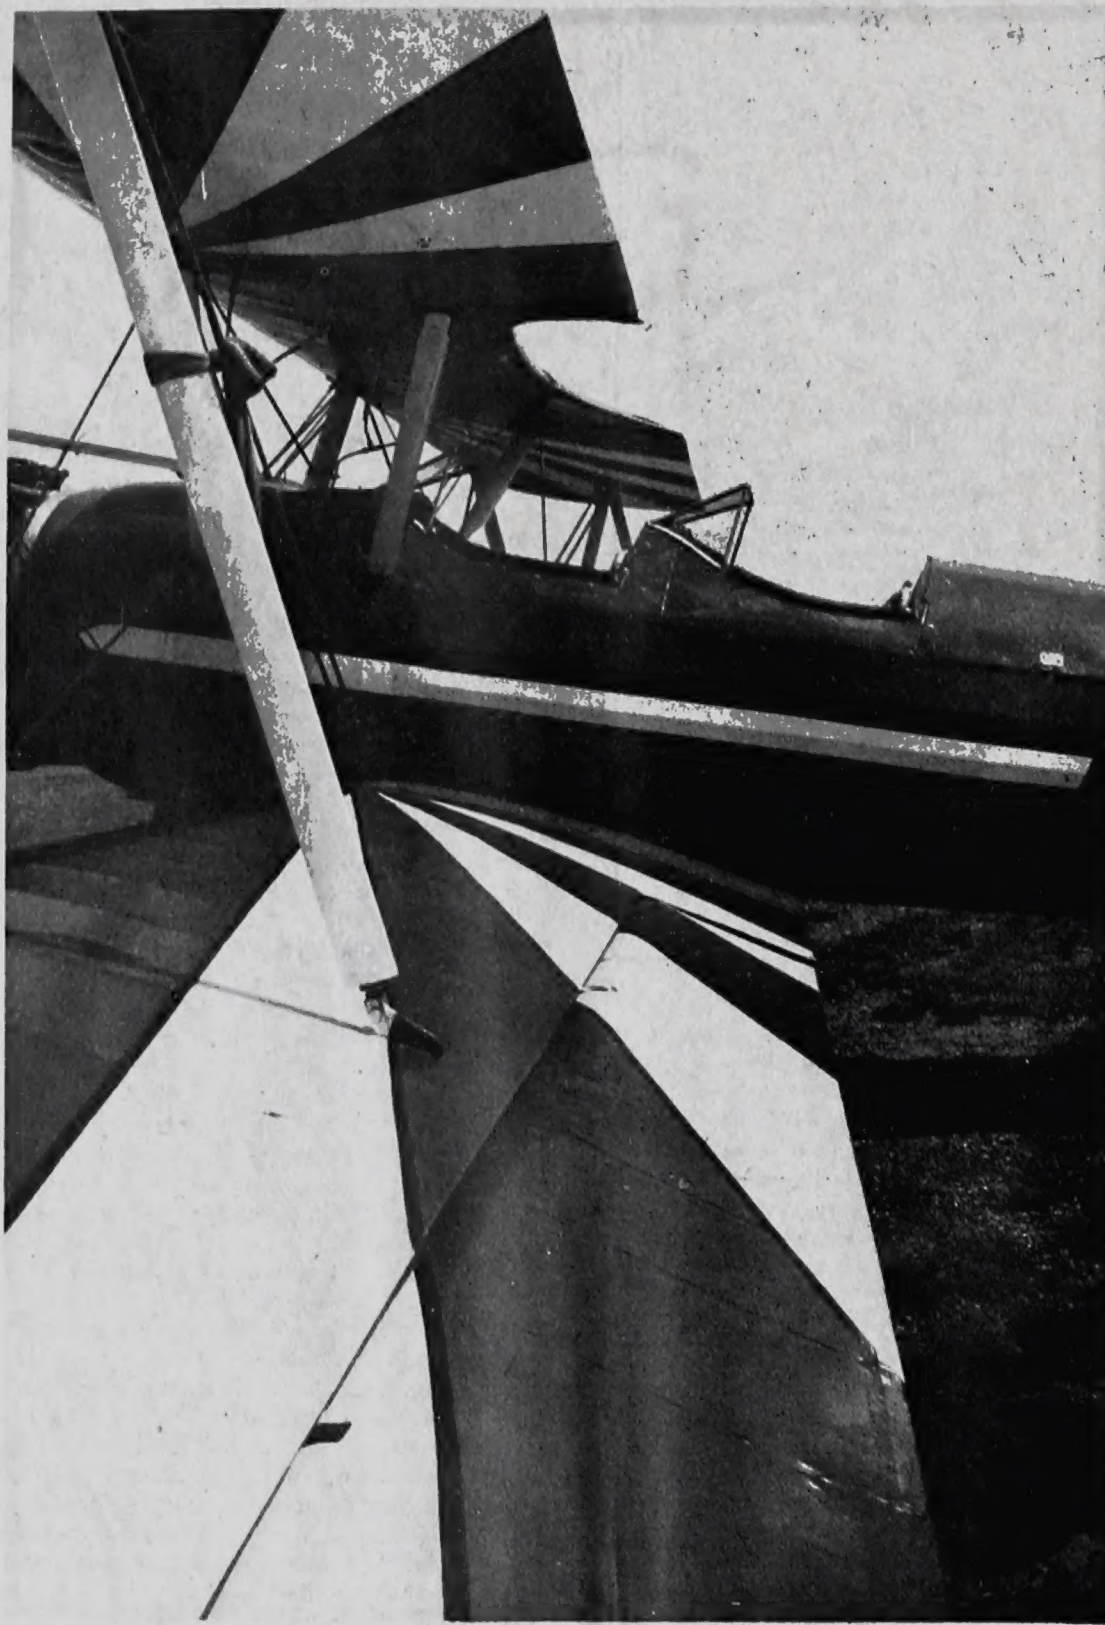

If the praises lauded on St. Joseph's Hospital by officials at the public meeting are any indication, the administration of the hospitals should run smoothly once the initial transitions are made.

Moving up

In its second major move, the Minden Business Improvement Area, has obtained \$5,750 from the municipality of Anson, Hindon and Minden to conduct a feasibility study of improvements to the downtown core.

While funding of the study does not in any way guarantee that projects to be studied will be carried out, the fact that Minden council backed the request from the BIA, unanimously, is a comforting realization.

The rehabilitation of bumpy streets, unsafe sidewalks, inadequate streetlighting and an uninspiring downtown core will not be completed for years, possibly two decades, but the fact that the BIA hasn't dissolved into oblivion after two years of operation, can give the members of the board and business people in the village a sense of pride that steps are being taken to improve their town.

STEARMAN AERO

by SUE COOPER

Fire department gets more praise

Letters to the Editor

To the Editor:

I was surprised to read in The Echo on August 4 that fire protection in Harburn Township was of no interest to the Ministry of Natural Resources and Haliburton Volunteer Fire Department.

The M.N.R. has always responded quickly to any fires we at Percy Lake have reported. The most recent fire on August 9 damaged almost a third of the larger island on Percy Lake. Within 10 minutes of sighting the blaze the MNR and Haliburton Volunteer Fire Department were called. The latter by mistake, nevertheless, they responded anyway, and we appreciate it.

The time lapse between the phone calls and the arrival of the first firefighters was one hour and 15 minutes. To the 21 cottagers and guests who worked to contain the fire, it seemed like a long time, but when you consider the distances travelled, the type of roads, loading and unloading fire equipment on boats - one hour and 15 minutes is not bad! Thank you to the MNR fire chief Bob Musclow and the Haliburton Fire Department volunteers for a job well done.

Cottagers, who are accustomed to having 10 to 15 minute fire service in their hometowns may think that one hour and 15 minutes is forever. It is obvious that a lot of damage can be done in this length of time. So, cottagers must take some responsibility for their own fire protection and fire prevention is our most powerful tool.

Our local MNR fire warden, John Bruce at Fort Irwin, was unable to assist due to his attendance at the council meeting. This attendance was made necessary by your inaccurate account of the Haliburton Lake fires in the August 4 paper. Had he been available, the one hour and 15 minute wait before some help arrived could have been reduced considerably. John came directly to the fire scene when notified after the council meeting.

The residents on Percy Lake appreciate the excellent response and follow-up to this fire by all concerned.

Dennis Woodbridge
President - Percy Lake

Crisis manager helps Echo staff

Serendipity

by SUE COOPER

There's an inside joke at The Echo that some Mondays or Tuesdays are exercises in crisis management.

This Monday was a case in point. With only two days left before the paper went to press, the staff, here at The Echo, was gearing up for two exhausting days. Little did we know that the first day would be totally unproductive.

We were stuck. The typesetting machine was printing nothing but unintelligible garble with 95 percent of the newspaper copy still to be typed.

After two long distance calls to the servicing company in Mississauga it looked like the necessary parts would not arrive until Tuesday at noon, a desperately late time to start repairing the machine. The thought loomed in all our minds that the part we had ordered might not turn out to be at the root of the problem.

Our concern was validated when Wayne Speicher, a local television serviceman, arrived to help us out of our plight. He by chance, had a part similar to the one we had ordered. It was installed

and still the machine refused to function. Another call to Mississauga.

One of the code panels was replaced and we tried the machine again. Another call to Mississauga and another attempt at finding the demon in the machine.

After many attempts and checking various wires and boxes for voltage, enough small adjustments were made that the machine began to make its normal noises. It sounded great but it didn't transfer the type onto the photographic paper.

With Speicher's help and know-how, all the Mississauga serviceman's suggestions were attempted, but still the machine balked. Finally the serviceman said he figured it was the trigger module. Of course there was not a spare provided in the parts kit. Tuesday morning was again estimated as the arrival time.

The decision was made the module would have to be picked up in Mississauga, Monday afternoon. Speicher promised to return, when the parts arrived.

At 9:30 p.m., the part arrived for the machine. Speicher returned and installed it.

To our horror, the machine would not cooperate. It seemed every avenue had been

Fair Play

Creighton Feir

At times we all have to admit that this old world of ours is going to the dogs. There are times when nothing seems to be right and everything else seems to be wrong. Three things that happened this week renewed my faith in human nature. About two weeks ago I happened to be in the Bank of Montreal filling out a deposit slip and put my glasses on the writing desk. Later on, realizing I didn't have them in my possession, I returned to the bank only to find they were not in the same place where I had left them. When they didn't show up after waiting for a week I decided to run a classified ad in the lost column of The Echo. It brought results and the lady who found the glasses returned them to the Bank of Montreal and I am wearing them once again. I don't know the name of the lady who found the glasses but if she is reading this column I want to say thank you. On Tuesday night of last week I was sitting at one of the tables at the Dixie Lee in Haliburton when apparently I dropped a dollar bill, out of my pocket, onto the floor. As I was leaving I heard a voice call my name and inform me I had dropped the dollar. It was Dave Nicholls from West Guilford who could have easily put the money in his pocket, but being honest he gave it back. Thanks Dave. Then on another day last week, Bill Vanderhorst, owner of the Kosy Korner was showing me a letter he had received from a Toronto man. Here is what the letter had to say. "Dear sir: On Thursday, August 5th we enjoyed an evening meal at your restaurant. We were, however, billed incorrectly or received someone else's bill. As best we can estimate we owe you \$10.50 which includes tax. The meal and service was excellent, thank you. Cheque enclosed." Don't give up hope though in all it's still a great world with a great many honest people still left in it. These are just three stories with honest people involved. There are many more.

Just recently we heard of another good samaritan story. It seems that some boy scouts from Indiana, U.S.A. were in the area when their bus broke down. Dennis Sims who is with Floyd Hall Real Estate firm in Haliburton came to their rescue and donated some land at Haliburton Lake for them to pitch their tents on and stay until they had time to save enough money to get the bus repaired. Thank you to Dennis for doing this good deed. Don't ever say the news is all bad.

We are certainly amazed and impressed with the interest that the cottagers in Haliburton take in local affairs. This is a healthy situation and their participation and ideas really go a long way in trying to push this county ahead. Most of the cottagers we have talked with seem to be quite pleased with the area and would like to help in any way to see that it keeps on progressing.

Whenever I pick up the Lindsay-Peterborough telephone directory to locate a certain service, a municipal office or a government agency, and find that they are not listed in the front of the directory, I get annoyed. For instance, if I was trying to call the municipal office in Haliburton it would say Municipality of Dysart et al but after the name, instead of giving the numbers it says: See Government Listings in the Blue Pages. I have also noticed other people very upset when they had to dig through these blue pages.

We are heading into the home stretch as far as the tourism season is concerned. The Canadian National Exhibition is underway and business has dropped off a great deal compared with the last two weeks of July.

It's that time of the year again and time for the annual Haliburton County Fair to be held at Minden on Saturday and Sunday, August 21 and 22. This year's big event will bring the usual features of a fair plus some wonderful entertainment. One of the main highlights will be the parade which will line-up at the Wrightman Realty lot and continue down through the main street up to the fairgrounds. The parade starts at 12 noon. The music lovers present will be in for a treat when Harold McIntyre and Area Code 705 are the featured musical group performing on the grandstand on Saturday afternoon from 3:15 p.m. to 4 p.m. They will be on deck to play for the fair dance held on the lower level of the Community Centre Saturday night from 9 p.m. to 1 a.m. The music of Sunday afternoon starting at 1:30 p.m. will feature "The Misty River Rambler Show". The talent contest, which is also very popular, will be in full swing Sunday afternoon starting at 2 p.m. If you are the type that really enjoys a fall fair or if you are looking for something to do then don't miss the Haliburton County Fair at Minden this coming Saturday and Sunday.

One would have to wonder what ever happened to this so-called recession we are having when you look at the results of the two recent Rotary Club Summer Carnivals held at Minden and Haliburton. Rotarians from Minden say people attending their carnival were spending money like they have never spent it before and financially it was a great success. In Haliburton it's the same story as the local Rotary Club reports it made more money this year than since the Rotary Carnival started. For instance, in Haliburton the Rotary car tickets which were at times hard to sell when the economy was good were sold out a good day in advance of the actual draw. It goes to prove that people are looking for something to do, looking for a party where for at least two days of the year they can throw away their worries and go out and have a good time.

VIEWPOINT

Pic of the Past

This coming Saturday and Sunday the 118th annual Haliburton County Fair will be held in Minden. As usual a splendid line-up of events has been arranged and the day of the fair will be the day to be there. In bygone days some of the communities in Haliburton had their own

fall fairs but as the years past by, only the Minden Fair was still in operation. It was decided at this point to name it the Haliburton County Fair. The above photo takes us way, way back to pick up some of the action at one of the first Minden Fall Fairs.

Queen's Park
John Eakins MPP

The current Liberal administration has decided, in their wisdom, that the only solution to the recession crippling our economy is their six per cent world of controlled public service wages and prices.

They are urging the private sector to follow their lead and institute six and five per cent wage increase limits. On the same day they announced the great new world of six per cent. Bell Canada applied for increases of 25 per cent and 35 per cent in their residential and business rates. Mr. Fox, the Minister of Communications, quickly said that Bell would be an exception to the guidelines. In other words, the new world would not be for everyone. Luckily due to concerted efforts by the Parliamentary Opposition and an outcry by the public the Cabinet was forced to change its mind. Bell must now live in the same world as the people it serves.

Unfortunately, as we found out after June 28, Bell was not the only price setting company that this Government felt must be above the six per cent world. When questioned in the House of Commons whether the oil prices set down by the National Energy Program would be limited to six per cent the Minister of Energy declined to respond. We will be forced to pay much more than an additional six per cent for energy supplies at a time when wages can only rise by that amount.

It seems that some companies will be more equal than others. This has been further confirmed by the Government's action in giving loan guarantees of \$34 million to bail out Maislin Industries Ltd. Whether or not these guarantees were obtained legitimately or through influence peddling by officials of the company, as has been claimed, it is clear that they put this company in an advantageous position with respect to their competitors. It is understandable that senior civil service officials in the finance and industry departments recommended the assistance not be

Cooper whose efforts provided two weeks of day camp at Camp Medeba, West Guilford, free of charge.

Many helpers were involved also to make this holiday especially pleasant, and to each of these also goes thanks. May God continue this opportunity in the future and may the Coopers enjoy an extra blessing as a result of their efforts.

Alice Jones

To the Editor:

I would like to take issue with several of the points made by John Eakins, MPP Victoria - Haliburton, in his recent column on the Ontario sales tax.

We in the counties of Victoria and Haliburton have come to use and appreciate many of the services offered by the province -- medical services, schools and excellent senior citizen facilities to name only a few. Given the fact that revenues had to be raised to maintain the level and quality of the services which the government offers the citizens of Ontario, the measures taken by the Treasurer represent the best method by which this could be achieved. Before Mr. Eakins describes the extension of the retail sales tax base as "discriminatory and onerous" he should consider the effect which the implementation of alternative methods would have on our economy. For example, increasing the sales tax rate would have contributed to the further decline of man-

ufacturers of such things as automobiles and home appliances. Raising the corporate income tax rate would have simply served to weaken investor and business confidence already shaken by the ill-advised policies of Mr. Eakins' colleagues in Ottawa.

I must commend Mr. Eakins' concern for the effect which this measure will have on the municipalities and school boards. However, he only tells us half the story. It is estimated that this measure will increase municipal and school board costs, on the average, by one half of one per cent this year. This year government grants to the municipalities have increased by 10.5 per cent over last year and school boards, in spite of declining enrolments, have experienced a similar 10.5 per cent increase in provincial funding. Also, Mr. Eakins does not tell us that many of the new costs will be cost shared and absorbed by the provincial grant system.

I suggest, then, that extending the retail sales tax base was, though politically unpopular, economically responsible. Mr. Eakins' arguments can only lead me to conclude that he places greater value on political popularity than he does on economic responsibility. This trait, though understandable, is hardly indicative of the type of political leadership we require in these difficult times.

from page 4

exhausted by replacing almost every key part in the machine. The only ones that hadn't been touched were the components we didn't have replacements for.

At 1 a.m., The Echo staff had all but resigned itself to the fact that the paper would be a day late getting on the streets. It was discussed which newspaper within 50 miles might have the equipment to type our material on Tuesday.

Speicher wasn't talking. He was sitting in a chair going over the schematics for the machine. This booklet had been picked up with the part in Mississauga and no one in the office, but Speicher, knew how to read the drawings.

Suddenly the imaginary lightbulb above his head flashed and he had figured out our problem. A few adjustments, change another board, and voila, the machine was humming, bleeping, and typing like new.

It was two o'clock in the morning.

So with a little bit more effort than usual, the staff of The Echo climbed over the hurdle and began preparing material for the newspaper which would probably be published on time.

(Oh, by the way, we have nominated Speicher for the gold star award in crisis management).

From the Chamber
by Bob Stinson

Getting Set For Busy Fall Season

For years now the "Shoulder Seasons" have been like the weather - everyone talks about it but nobody does anything about it! Well, finally something is being done about the fall season, to encourage better use of the facilities available and create more tourist traffic. Two important new components have been developed to attract fall visitors, the Harvest Festival and a schedule of colour bus tours.

The Harvest Festival, as reported in last week's paper is the brainchild of Art Ward and has met with enthusiastic support throughout the county. The two week-end prior to Thanksgiving, when colour is traditionally at its peak, will feature an ethnic event on each of the four nights at each of four locations. It has brought together the Haliburton Rotary Club, the Stanhope Firefighters Assoc., the Minden Figure Skating Club, the Recreation Committee of Glamorgan and the Chamber of Commerce in joint effort that should be good for the county and its many fall visitors.

The second component is reaching the final stages of preparation and should also substantially increase the enjoyment of our beautiful fall season. The Chamber has arranged with Northernways Transit Ltd. to provide local colour tours that will include many of our featured points of interest. A full day tour will be available on Tuesdays and a half day tour on Thursdays at a cost of \$10.95 and \$4.95 respectively. The full day tour includes the provision of lunch at the Nordic Inn in Dorset and the half day a stop for tea or coffee and biscuits at the Chatterbox overlooking Twelve Mile Lake Falls.

Both tours will pick up and return passengers centrally at Minden and Haliburton. The project is a pilot program that if as successful as anticipated will be operated throughout the summer season next year. It is anticipated that a lot of support will be provided by resort operators who may include the tours in their fall packages.

In order to tell the world of our fall features we will be taking advantage of the C.O.T.A. full page advertisement which will once again appear in the Toronto Star on September 11. Advertisers in their mid-summer feature found it very beneficial and we are looking for good participation from members again. Deadline to reserve space in the co-op ad is August 27 and copy must be provided no later than September. For more details call the Chamber office at 286-1760.

New M.T.R. Consultant

Our area has been without the services of a Tourism Consultant from the Ministry since the resignation of Bruce Potter in the spring and we were therefore very pleased to be advised, and to meet our new representative in the person of Mike Wallace. Mike assumed his duties August 4 and spent a few days in our County last week catching up on the backlog of work which has accumulated. Mike has a strong background in the hospitality industry and is equipped to provide many of our members with a good deal of assistance. We look forward to working with him, and he looks forward to meeting many of you.

It was fun to be in Minden

On Friday the 13th when superstitious souls hide indoors, many Minden merchants did the opposite. Participants from both downtown and the surrounding area lined the curbs with merchandise and displays for the day and the event was topped off by some Dixieland music on the lawn of the Bank of Commerce. It was fun for everyone and worthwhile to all who participated. It was marred only by the fact that a few chose not to participate and they were conspicuous by their absence. It is hoped that the exercise will be repeated and that more will now be convinced to join in for mutual benefit.

The Minden and District Horticultural Society was, at the same time, holding its 3rd annual Flower Show at the Community Centre with some incredible displays of their talents on exhibit. Awards were distributed on Friday and we must say their entire group deserves an award and a great deal of credit for making Minden and the surrounding area so much more attractive with its displays.

As we said, it was fun to be in Minden on Friday, and when you can make coming to town fun, it's good for the town and good for business.

County Fair Weekend

It's County Fair time again this weekend in Minden. Because Minden is the County Seat, and the fair grounds are located in Minden much of the organization and preparation of this event falls on residents of that town but we must stress that they do it on behalf of the County. The County Fair is one of the few events of the year that involves the entire County, and we urge county wide participation in it.

The Fair gets underway Saturday morning and the big parade will roll down Minden's main street at noon. Following the official opening at

1:00 p.m., the Fair Queen will be named and the horse show will begin. The Grandstand show and the evening dance will both feature Harold McIntyre and "Area Code 705". The ever popular horse drawing contest takes place at 4:00 p.m. on both Saturday and Sunday. There is also a midway, dog show, livestock shows, run and ride race, talent contest, 4H displays, pony pull, and a horseshoe pitching contest. See you at the Fair!

SPORTS

Legionnaires win 2 to finish regular season

In the last week of regular season play in the Haliburton men's recreational softball league, the Legionnaires picked up two wins.

The Legion team nabbed its first victory of the week in a closely contested match against Haliburton Lumber. Legion won the game 7-6.

The Legionnaires took the lead in the bottom half of the first inning as Tony Salvatori made a walk to first pay off with a score. The Lumbermen's pitcher walked three more batters to bring Salvatori home.

The Legion's lead was increased in the bottom half of the second as the ball players took three walks to load the bases. Aaron Nicholls, Ian Cooper and Salvatori scored on hits from Bob MacNaull, Sid Cooper and George Nicholls.

The lumbermen finally made a scratch on the scoreboard in the third inning as Bob Johnston started off with a triple and Bernie Nicholls made the points count with a home run.

The legionnaires held onto their lead until the top of the fifth when the lumbermen

tied the match. Nicholls and Kevin Newell brought in the counters.

The legionnaires got a lucky break in the bottom of the fifth as errors by the short stop and catcher let Aaron Nicholls give his team the lead again. The lumbermen were out three up, three down in the sixth inning and it was the chance the legionnaires needed to solidify their win. Sid Cooper and Stuart Baker scored points to make the score 7-4.

In their last chance at bat, the lumbermen almost caught their competitors but two good catches by the third baseman and shortstop ended all their hopes. Jaro Cooper and Johnston scored to bring the final score to Legion 7, Lumbermen 6.

Beachli Construction edged by Kennedy's Surplus 4-3 in a close match last Tuesday.

Kennedy's team was first to claim a point with Brian Mulholland hitting a double in the second inning. A nice tap from Jim Keetch brought Mulholland home.

But Beachli's team wasn't to be kept down long as Peter

Fearrey started the hitting off in the bottom half of the second inning. Fearrey's double was followed by a single from Earl Bull. A double from Gary Burch's bat brought the runners home.

It wasn't until the top of the fifth that Kennedy's team began to score again. Ron Linklater rounded the bases by himself on a homer. Jeff Carpenter followed with a single and was brought across the plate on a triple from Dwight Sisson.

Beachli's team was down a run but it didn't take them long in the bottom of the fifth to bounce back. Burch took off to second on a double, Dave Nicholls followed with a single and Kevin Sisson's triple brought the pair home. That ended the scoring for the game. Final score Beachli 4, Kennedy 3.

Kennedy's men didn't start the scoring off until the top of the third inning but even then it was not much of an effort compared to the onslaught the lumbermen were about to make. Jeff Carpenter put Kennedy's first mark on the board.

The lumbermen broke loose in the bottom of the third and picked up five runs. Bob Johnston began with a double and Bernie Nicholls got to base on a walk, Leigh Bull's single brought both the runners home. Ken Barry was hit with a pitch and was sent to first. Jim Winn hit a double to bring the runners in. Winn crossed the plate before the inning ended.

Kennedy's team edged up a little on its competitors by scoring three runs in the top of the fourth. Bernie Upton, Derwin Barry and Ron Linklater were the scoring runners.

In the top of the fifth the team broke away from the lumbermen's grip by scoring

six runs. Scoring for Kennedy's squad was Jeff Carpenter, Dwight Sisson with a home run, Brian Mulholland, Roy Burk, Upton and Doug Rupay.

The lumbermen were down five runs as they went into the bottom of the sixth but they came back with six markers to lead the game. Ken Barry walked to first. Jim Winn hit a double and Rob Dennys' single brought Barry home. Winn came across the plate on a single from Wayne Speicher and Rod Sisson got to first. Bob Johnston was put out but his hit brought in Dennys. Bernie Nicholls smashed a home run to bring in Speicher and Sisson.

Now trailing by one run, the Kennedy team poured on the steam and took the lead for the last time with another four runs. Brian Mulholland, Roy Burk, Bernie Upton and Doug Rupay scored.

Final score was Kennedy 14, lumbermen 11.

The Legion won its second game in a week as the men edged past Curry Motors' squad. Barry Boice was the first player to score for Curry's in the bottom of the second inning.

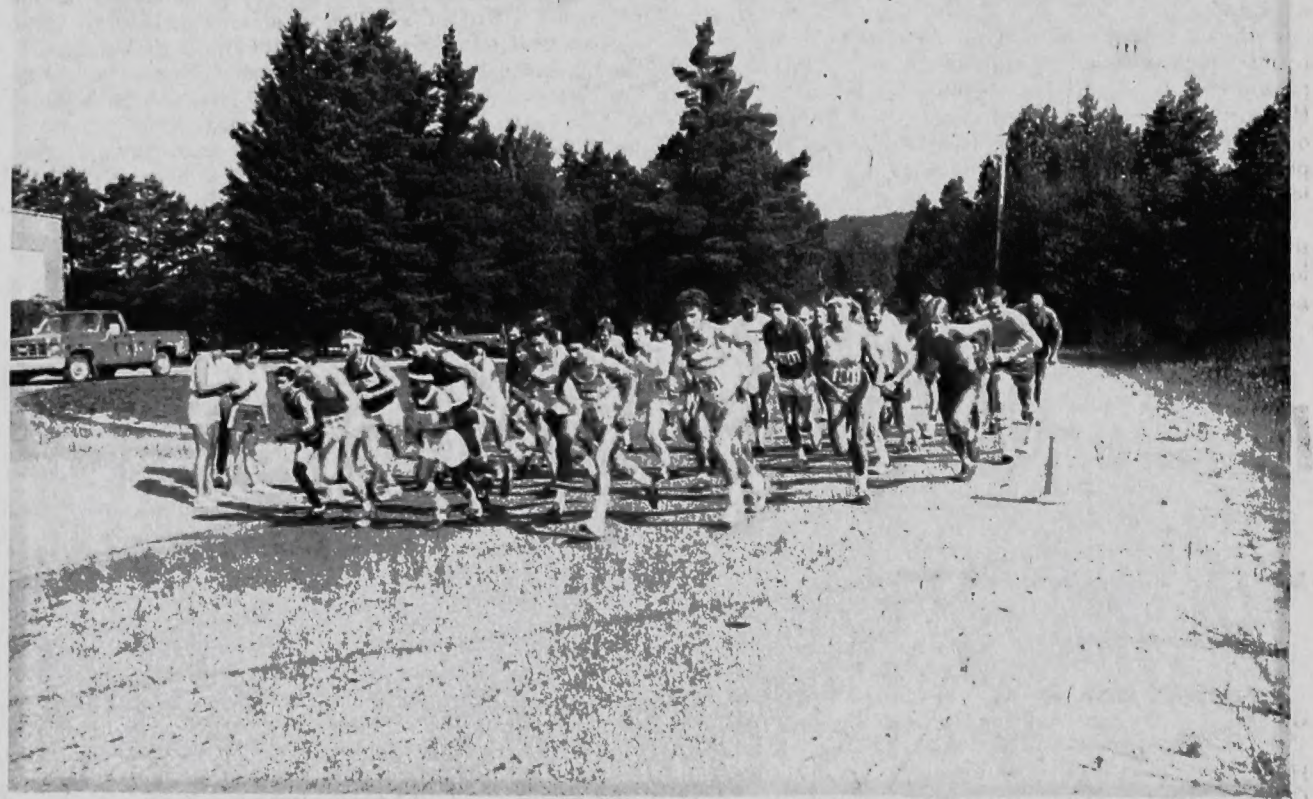

The Legion tied the match a one-all in the top of the fourth as Tony Salvatori scored.

The Legion's lead was short-lived as Curry Motors tied the score in the bottom of the fourth on another run from Boice.

The breakaway for the Legion came in the sixth inning as Salvatori, MacNaull and George Nicholls scored.

The mortormen managed one more in the bottom of the sixth but victory remained out of reach. Art Dawson scored the run.

Final score was Legion 4, Curry Motors 3.

Runners are off to a fast start Sunday at the Green Lake fun run

Cam Douglas top in fun run

Marion Strebig was first woman to cross the finish line in 38:55

Fun runs continue to draw competitors in the Highlands. Thirty eight runners met at the West Guilford Recreation Centre Sunday morning to enter the second annual competition.

The best time to complete the nine kilometre run over easy terrain was Cam Douglas' at 29:29 minutes. John Fleming also a junior male entrant finished the route in 30:17 minutes. Third place went to John Mooney in the open class at 30:25 minutes.

The first woman to complete the run was masters competitor Marion Strebig at 38:55. Marla MacNaull was the second woman (entered in the juniors class) at 39:06 and Joanne Mayer was the third female to cross the finish line at 41:12. Mayer competed in the open class.

Participants in the event were presented with certificates depicting their final position at the end of the route.

The following are the times and final positions of the runners: Cam Douglas 29:29, John Fleming 30:17, John Mooney 30:25, Michael Clewlow 31:36, Alan Cooper 32:24, Paul Madden 33:10, James Clarke 34:15, Scott Rae 34:37, Kirk Lynn 34:45, Jim Hollins 34:52, Siegfried Finke 35:33, Eric Edwards 35:53, Percy Joy 36:00, Clayton Roberts 36:39, Terry Groves 38:24, Marion Strebig 38:55, Ken Rydman 38:56, Marla MacNaull 39:06, Bob MacNaull 39:06, Ron Reid 40:10, Gary Spirk 40:28, Dawn Ball 40:44, Joanne Mayer 41:12, John Mayer 41:22, Eric Kelday 42:27, Frank Powers 42:47, Susan Bunker 43:41, Noel Mayer 44:14, Toos Reid 45:00, Peter Brogden 45:03, Jim Crozier 46:57, Brandy Grundstrom 47:22, Sam Chapman 48:48, Denny McNorlon, 50:01, Matthew Creelman 50:02, Tom Weir 50:56, Rick Winter 50:58 and Audrey Roberts 61:14.

Scotty Morrison was Rotary speaker

The rivalries that have been created in the National Hockey League have made the re-alignment of the organization worthwhile, according to Scotty Morrison, vice-president of officiating.

Morrison told the Haliburton Rotary Club, Thursday, the re-alignment was effective and had cut down on travel by approximately 33 per cent. He pointed out the rivalry between such teams as Quebec and Montreal, Calgary and Edmonton, Toronto and Detroit plus the Rangers and the Islanders were making re-alignment work.

The guest speaker was quick to say the game of hockey is as popular as ever and that the arenas in the National Hockey League played to 89 per cent capacity during the 1981-82 season. He also mentioned that last spring's play-offs, with its thrilling games and upsets, were possibly the best ever played.

Speaking on the subject of fighting, Morrison said they are a safety valve for players. In spite of what the public hears about fighting taking over the game, in one stretch of 446 games last season there wasn't a single fight, Morrison added.

Noting that Walt McKechnie of the Detroit Red Wings was in the audience Morrison, who has a great sense of humour, remarked "I didn't know that the old timers were in town".

During his talk he mentioned the new dynamic owner of the New Jersey Devils (formerly the Colorado Rockies) should make this franchise a successful one. Speaking on the success of Bernie Nicholls with the Los Angeles Kings, Morrison pointed out the community could be proud of the local boy's playing ability.

Fielding some answers during the question and answer period that followed, Morrison stated six refereeing officials wear contact lenses. The average referee makes \$70,000 a year and \$15,000 in the playoffs if they go all the way. The question of overtime brought some lively discussion and in Morrison's opinion it won't be much longer before overtime will be part of the game.

Drag Lake's aquatic week-end a success

The Drag Lake Property Owners' held a successful aquatic week-end last Saturday and Sunday.

Saturday morning saw a hotly contested sailing competition with tricky wind conditions.

Two Albacores finished the four mile course with less than a 100 feet separating them. The race was run in four classifications. The winners were: albacores - Camp Illahee (Jeff Moeser), Gord Wood, Bill Booth; wet boats - McLellan, Al Ferguson, Marion Rimmington; 12 feet and under - Teasdale; 13 feet and under - Lamjainen, Saxton, Wilson.

At 2:30 p.m. the swimming, canoe and novelty

races were held at Harris' beach. Two hundred competitors including parents were present. Results were: swimming - Kendal Kowaluk (3-5 year olds); Kylie Booth (6-7); Lisa Beattie (8-9); Kelly Richardson (10-12); Trisha Morrison (13-15); Jim Fink (16 and over); honourable mention to Mrs. Booth, Mrs. Rimmington and Mark Ryan (he lost his contact lens and sight of the finish line). Canoe gunwhale - Jeff Popple (under 13); Mike Beadle (over 13); Peter Curry (over age). Canoe pairs - Janet/Mark Parsloe (under 13); Trish/Jim Fink (over 13). Novelty mentions - Wayne Hussey - Tubing; "Young Bucks" - tug-o-war.

Sunday at 2 p.m., the initial running of the Ced Hurd Memorial Mile Race from Strawberry Island to Sandy Point was held. Jim Fink presented a memorial plaque for annual competition.

The Hurd family arrived on Drag Lake in the early thirties at about the same time Fred Jones was setting up Drag Lake Lodge. Ced Hurd was a keen swimmer and when Jim Fink swam the lake 4 1/2 miles two years ago Ced at age 73 jumped in and swam the last half with him. Ced was dedicated to children and organized many

swimming races for them. A half-mile race ran from Hurd's Indian Point to Miss Hausman's and a mile race to Drag Lake Lodge. The feature mile race ran from Harris' beach to Indian Point where Mrs. Hurd served hot tomato soup and weiners. The race this year ended at Larry Podmore's and Mrs. Podmore served the traditional fare. Fifteen swimmers completed the course.

The overall winner on handicap of two minutes was Trisha Morrison, 15 of Depot Bay. Her time was 33 minutes. Jone Hose, of Camp Illahee staff, had the fastest

time of 32 minutes and finished second. Other swimmers in order of finishing were: John Tinney, Craig Bowker, Marilyn Booth, Kim Hussey, Kelly Richardson, Barb McCartney, Marion

Rimmington, Erin Niemann, Mike Beadle, Chris Cornwall, Karen Young, Jim Hussey and Kim Curry. The last two were under 12 years old and showed great determination.

HUNTER SAFETY

This course is essential for anyone between the ages of 15-20 to obtain a hunting license. The course will be conducted by the Haliburton County Marksmen Club. To take this course you must be 15 as of September 1, 1982, and anyone under 16 must have written parental consent to be handed in with registration.

Students attending this course will be given information on examination dates at the course. The examination fee of \$3.00 is not included in the course cost, and will be payable when you take your examination.

NOTE: This will be the only Hunter Safety course offered by the Haliburton County Marksmen Club this fall.

INSTRUCTOR: Haliburton County Marksmen Club
LOCATION: Ministry of Natural Resources, Minden

DATES: Sept. 13, 14, 15, 16, 17
7:00 - 10:00 p.m.

FEE: \$15.00 per student

* Please Register no later than September 10th - Limited Registration.

FUR MANAGEMENT

This course has been designed by the Ministry of Natural Resources for new trappers as well as experienced trappers who would like to upgrade their skills. This course is mandatory for all new trappers to obtain a license.

INSTRUCTORS: Keith Hughes and Maurice Emmerson
LOCATION: Ministry of Natural Resources Building - Haliburton
DATES: September 6, 7, 8, 9, 13, 14, 16, 20, 21 and Sept. 25

Each evening from 7:00 pm to 9:30 pm
FEES: \$40.00

Books will be available from the instructors at class, approximate cost will be \$12.00

Please Register no Later than September 3 for this course.

Haliburton wins at Minden

Imported pitcher helps locals claim the championship

Haliburton came away with the 'A' championship trophy at the Rockcliffe Invitational Fastball Tournament in Minden this week-end.

With 22 games and 16 teams the week-end was packed with plenty of action. Haliburton's win over Toronto Cavaliers in the championship match was a thriller. The final score was 2-1.

Toronto Drive Tavern won the consolation championship 11-4 over Bobcaygeon.

Probably the most inter-

esting and exciting game of the tournament was played Saturday afternoon when Haliburton matched up against the Minden Rockcliffe Hustlers. Jim Chilvers pitched a no hitter for Haliburton and Brad Scott pitched a two-hitter for Minden. It was a tough loss for the Hustlers as both of Haliburton's runs were unearned.

Results from games in the first round were: Minden 3, Norland 0; Haliburton 11, Lindsay Turbo 0; Lindsay York Tavern 10, Bobcaygeon

6; Type-hi Printing 7, Domtar 2; Etobicoke 4, Huntsville 2; Woodrow Auto 5, Ashley Motors 0; Toronto Cavaliers 6, Toronto National Drug 0; Maynooth 5, Drive Tavern 4.

As the winners moved into the championship round the final scores were: Haliburton 2, Minden 0; Type-hi Printing 4, York Tavern 1; Woodrow Auto 4, Etobicoke 0; Cavaliers 5, Maynooth 4.

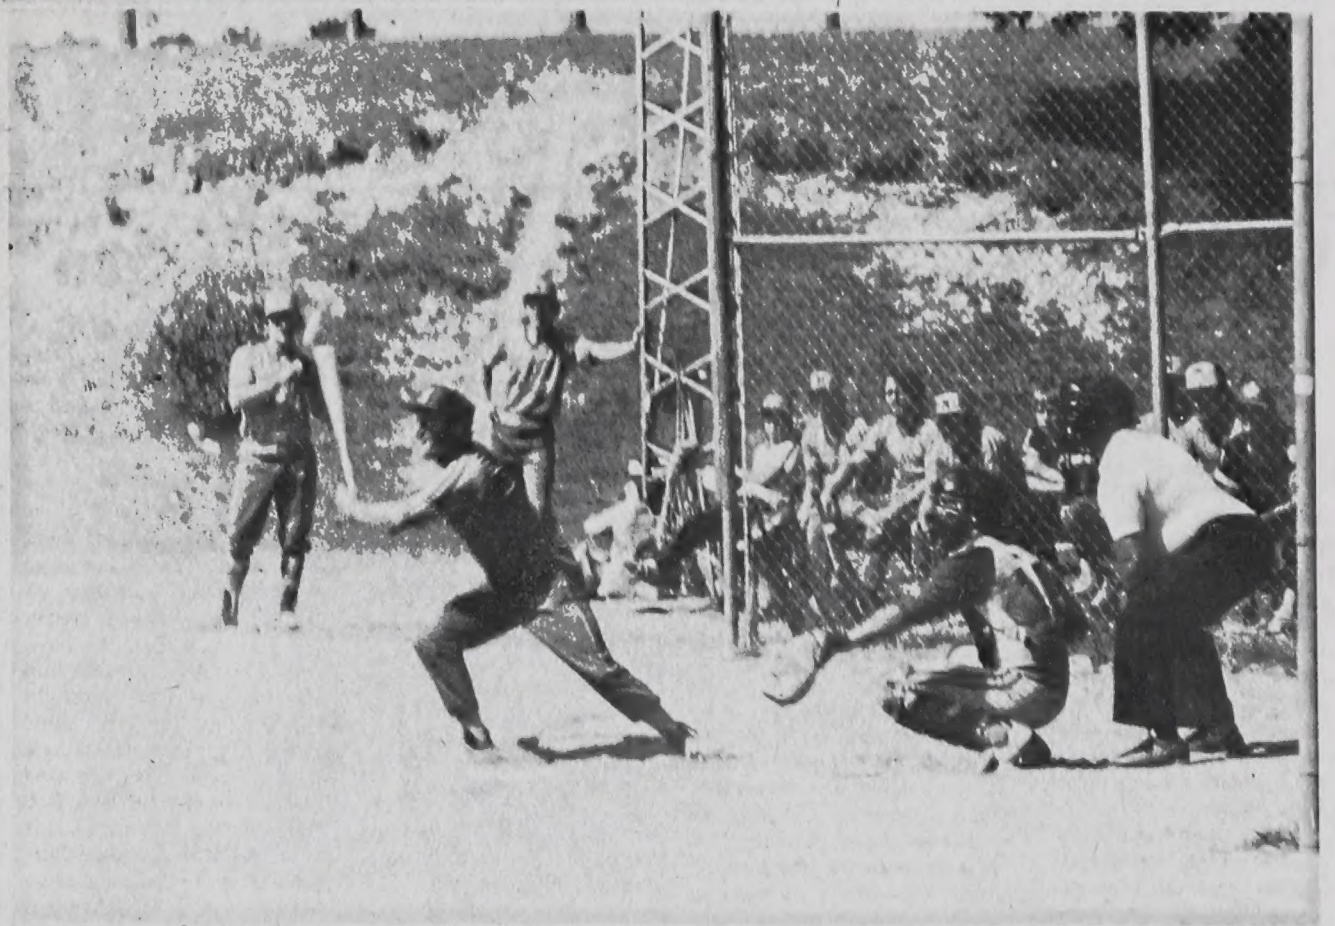

In the championship semi-finals Haliburton defeated Type-hi Printing 4-1 and Cavaliers downed Woodrow Auto 3-0.

Haliburton defeated the Cavaliers in the championship match.

In the consolation round play the outcome of the games were: Lindsay Turbo 8, Norland 1; Bobcaygeon 9, Domtar 4; Huntsville 4, Ashley Motors 3; Drive Tavern 8, National Drug 0.

The consolation semi-finals saw Bobcaygeon beat Lindsay Turbo 7-2 and Drive Tavern won over Huntsville 10-4.

Drive Tavern defeated Bobcaygeon in the consolation final.

It's a hit!

There was lots of excitement this week-end at the Rockcliffe tourney

Minden Dixie Lee defeats Minden Juniors by two games in 'B' series

by Helen Burk

In the 'A' series West Guilford balanced the wins Thursday night by downing Haliburton 8-6. The West Guilford team was led by Michelle Rosenberg and Cheryl Cooper while Haliburton had a good night from Betty Whiteway and Wendy Roberts. Joan McKay was the winning pitcher, while Nancy Maughan took the loss.

In the 'B' series the Minden Dixie Lee took the series from the Minden Jrs. three games to one. In the final

game of this series the Dixie Lee team was led by Barbara Barnhart, Marlaire Wilson and Helen Burk. The Dixie Lee squad took the game 16-7. Nelda Cully went seven innings to pick up the win while Cheryl Dillon and Andrea Burk took the loss. The Dixie Lee team will meet the winner of the Haliburton and West Guilford semi-final match.

In the consolation series Wilberforce held off a strong Carnarvon team on Tuesday night to take the series three games to zero. The final score of the third game was

13-11. The Wilberforce team was led by Gail Krupa who was five for five at the plate also Lynn and Chris Storey had a strong night. Carnarvon was led by Joan Alger and Karen Eager. Jo Olszewski got the win while Lil Gorvette picked up the loss.

In the final game between Haliburton and West Guilford, Monday night in Haliburton, the West Guilford team came out hot in the first inning getting eleven runs. They couldn't hang on as Haliburton came back with seven runs in the first and 9 in the second. Then the score

went back and forth until the final out in the seventh with Haliburton hanging on to win 20-19. Haliburton was led by Betty Whiteway, Miriam Smith and Kim Roberts. West Guilford had a good night from Cheryl Cooper and Michelle Rosenberg. Nancy Maughan got the win while Joan McKay took the loss.

The final series between Minden Dixie Lee and Haliburton starts in Haliburton Wednesday night at 9:00 after the fun night. The second game goes in Minden Monday at 7 p.m.

Safe!

A batter reaches home plate Sunday during the fastball tournament.

Hospital twinning proposal made public

from page 1

pitals would become members of the medical staff of the larger hospital; the administration of the two Red Cross hospitals be conducted according to the policies and procedures of the recipient hospital. Also the nurse administrator at each Red Cross hospital should be maintained to contribute to the effective management of these facilities; that the Red Cross hospitals in Minden and Haliburton remain as active treatment facilities."

A definite proposal came from St. Joseph's hospital in June and Civic Hospital said it would continue discussions only if St. Joseph's declined to continue with the merger process.

At the meeting of the steering committee, July 7, which was attended by representatives of St. Joseph's the committee learned that

the Red Cross Hospitals Board in Toronto, "was fully supportive of the proposal by St. Joseph's," Swanston said.

In its presentation to the steering committee, the St. Joseph's hospital said "the proposal is offered in a spirit of concern and a desire to maintain primary acute care hospital services in the communities of Haliburton and Minden."

St. Joseph's was established in 1890 by the religious community of the Sisters of St. Joseph of the Diocese of Peterborough. The facility is owned by the Sisters of St. Joseph and is operated by the board of trustees which is regulated by the public Hospitals Act. The 25-member board is comprised of two members from city council, two members from county council, three members of

the medical staff, three ex-officio members, five members from the Sisters of St. Joseph and ten members from the business and professional community.

If the merger becomes a reality, the land assets and liabilities of the Red Cross Hospitals will be assumed by the Corporation of the Sisters of St. Joseph of Peterborough and held in trust.

St. Joseph's proposal stated that the Sisters of St. Joseph operate their three hospitals (two in Ontario and one in Saskatchewan) as "Catholic Hospitals". "The medical and hospital staffs exercise a philosophy of care based on solid Christian principles recognizing the dignity and worth of each individual," the proposal stated.

The proposal said the board of trustees "would be

prepared to enter into a formal agreement", if the additional requirement "that St. Joseph's General Hospital would not suffer any financial disadvantage in this proposed merger", was met.

During an informal question and answer period, Swanston explained the merger does not mean patients will necessarily be treated at St. Joseph's hospital, the choice of hospital will still be that of the doctor and patients. The merger is for administrative and supportive reasons.

COME OUT WITH YOUR IDEAS.

At the Ministry of Natural Resources, we have to be a lot of things to a lot of people. That's why we want to hear your ideas.

We've compiled draft district land use strategies which recommend the many ways Southern Ontario's natural resources ought to be managed. And with forests, fish, wildlife, mineral resources, provincial parks, marshes, recreational areas,

waterfronts, and lots of dry land to consider, that can be a pretty wide open area.

So we want you to tell us what you think. To make it easier, we're sponsoring a series of Open Houses, in districts all across Southern Ontario, giving you the chance to come out and tell us how you feel about what we have in mind.

FAMILY

Senior League

by Bert Harrison

A nice service was conducted in the chapel Sunday night. The Pettit family entertained us, and did the job just right. Harold Thompson welcomed our guests, and led us in prayer, then our guests took over from there. They sang and played, so beautifully on organ and violin. To tell you all about it I'd hardly know where to begin. Now here is a family who live religiously. This is something we like to hear, and see. We thank them for coming to us at Hyland Crest. To this talented family we wish all the best.

We watched interesting movies Monday night. You had to see it to believe it, "they were a lovely sight".

Rev. Wicks of Minden Gospel Church took the service on Tuesday morning. He spoke on Jesus who said "I am the life, the truth, and the way". We thank Mrs. Taylor for coming to play.

We thank the Ferris for entertaining so nicely again - Everett, and his daughter Terri-Lyn.

We welcome back Edith Welch, and Carrie Jones. They have been away, since I don't know when.

Wednesday night was games night. We had a lot of fun. I'd better not tell you who lost or won.

Two afternoon a week the ladies are working. I don't know just what they are doing, but their jobs they are not shirking.

Each Thursday afternoon, here at Hyland Crest, a group of ladies bring a lunch and serve it up the best. It was the Baptist ladies from Kinnmount who brought a lovely lunch today. Edith thanked them nicely, before they went away.

We have fun and fitness four times this week. This is

the place to be if exercising you seek. You will benefit by this if you're a willing pupil. The exercise you seek will keep you nice and supple.

Thursday night is Bingo night here at Hyland Crest. Members of the Kinsman Club put it on, and give it all their best.

Friday at noon, we had a bar-b-que and a party for two ladies, who are "bidding us adieu". Muriel Welch, who looked after all our dough, and Roberta Walker who looked after all our clothes. They received some lovely presents, including beautiful cups and saucers, and to each a purse of money from the residents here. We are going to miss them. They were held most dear.

There have been many visitors to the home this week. Mr. and Mrs. Earle Redner this afternoon, my sister Pearl, and her daughter, Ruby to lunch with us at noon. We also had some very dear friends drop in, Henry and Muriel Copp. I could keep on going, and wouldn't know where to stop. We also had a visit from Mickey and Minnie Mouse. When we went up to supper, they ran all around the house.

This Friday afternoon Grace and Norman came along to play, and lead us in sing-song. Grace read an interesting story of a boy who had cancer, and what he endured, but they think now he is completely cured.

I am sorry to report that Mrs. Elsie Plumb is not so well, but glad to report that Mrs. Ida Schell has returned from hospital, and Mrs. Ethel Boice is making good progress. Grace sang Christopher Robin, coming down stairs, stopped half-way down to say his evening prayers.

Parishioners of St. Margaret's Anglican Church in Wilberforce are proud of the new extension they've added to their church. As well as extending the front parlour of the building, new carpeting has been installed. The cross on the front of the church was donated in memory of Canon H.F. Battersby. Sylvia Cameron, nee Battersby, and Bruce Gibbs, the rector's warden stand at the new entrance to the church.

Young artists' programme is going strong

by Marie Chambers and Carol Lee

The cool weather we've had in the past week seems to have had little effect on the children participating in the crafts program at Head Lake Park. The Young Artists' Programme is going strong and continues for another three weeks.

Wednesday, marionettes were made using empty thread spools of all shapes and sizes. The spools were

strung together and painted bright colours. The children then staged their own puppet show.

Caricature masks were made Friday. They were cut from empty jax and detergent bottles. No two were alike, they ranged in design from sad mime faces to smiling clowns.

All children are encouraged to attend every Wednesday and Friday. Starting August 23 the program will

be offered Monday afternoons as well.

by Wendy Laking

No need to be in suspense any longer. The Triple M's will appear live outside the Minden Cultural Centre, Sunday, at 2 p.m. The 18 members of the band have worked long and hard preparing for their "premiere performance". Along with many musical numbers we will feature some soon-to-be famous actors and actresses.

Scott/Chapman wed at St. Margaret's

Gail Lorraine Scott, daughter of Mr. and Mrs. Allan Scott of Wilberforce and Nicholas Chapman, son of Mr. and Mrs. Albert Chapman of Bowmanville, were married July 10 in St. Margaret's Anglican church, Wilberforce. Mrs. Sylvia Cameron was the organist and Miss Virginia Rivers sang the Wedding Hymn.

Amber Dell and Misty Chapman were flower girls. The groom was accompanied by Mark Chapman as best man and Chris Chapman and Douglas Scott as ushers.

A reception was held at the Lloyd Watson Memorial

Centre to welcome friends and relatives from Toronto, Port Perry, Lindsay, Orono, Pickering, Newcastle, and Wilberforce. Relatives of the groom arrived from England to attend the wedding.

The couple will reside in Bowmanville.

Choir to perform at St. Margaret's

The girls and boys choir of St. John's Norway, of Toronto, will perform in Wilberforce in the next two weeks.

Everyone is invited to listen to the group's performances at St. Margaret's Anglican Church.

The girls choir will sing Sunday at 10:30 a.m. and the boys choir will perform next Sunday, August 29, at 10:30 a.m.

Two Guild members to represent Council

Two lifetime members of the Haliburton Highlands Guild of Fine Arts will represent the Ontario Craft Council at the Canadian Crafts Conference in Charlottetown, Fredericton and Halifax, Nova Scotia, September 20 to 26.

Thilde Nevitt and Dixie Augusteijn were chosen by the craft council to attend the conference with other participants from across the country.

The information gathered and the connections made at the seminars will be useful to the Rails' End Gallery and the Haliburton School of Fine Arts, according to Carol Finn, spokesman for the gallery.

Happy Gang News

by Watson Anderson

This week our locale should be the fat city of Ottawa where they pull out all the stops to make one feel welcome.

Fancy meeting a man there who comes up and says "I read everything the Happy Gang writes and was especially stopped when I read the venom of the germs in the saliva quickly kills anything that is not immune to it. I had a little boy who was found dead in a crib and no one could tell me why. Could that be why? To that we could not be sure but suggested contacting the Ontario Coroner's office, the Ontario Ministry of Health or the National Research Council.

It seems that Uncle Sam is going to need much of Canada's fresh water before long and naturally we offer a suggestion. The Labrador plateau is a morass of fresh water constantly spilling over the north slope escarpment into the Davis Strait expending as it does some 50 million horsepower potential of electricity. There is a Labrador current that is wafting that fresh water south. Is it possible that in developing that power the tail race could run the fresh water into

polyethylene sausage a kilometer long and a metre in diameter and have a tug guide it into New York harbour, Boston, Florida or even Saudi Arabia?

Lola McColl, sister of Jake Gill who died last year, died. We extend our sympathy to her family. She will be missed along her many lady friends.

Before we left we omitted to record the admission August 7 of Iva Holland of Willowdale whose son lives in Haliburton. Now that they can visit she will feel more at home.

Bertha O'Brey of Minden is the latest admission to extendicare and to the gang. She appears to like it very much.

One of the most interesting highways in Ontario is number 7 trans-Canada that stretches from Peterborough to Ottawa, in particular. If you have a good window seat on a Voyageur bus, it is fascinating to watch the inconsistencies continually repeated kilometer after kilometer for over 300 kilometers. It is home to myriads of wildlife that depend on being isolated. Each link in this wildlife chain is an amicable dependence of one

animal on another. Ontario would be much poorer without it.

This drought we are in the midst of is a great disappointment to any who have abundance of plants and cannot give them enough moisture to prevent parching. Our patio boxes that had been so attractive are pretty well finished. The beds are fairly good but should have much more water than we have man power to give. However by giving the trellis bed a little extra the morning glories, scarlet runners and sweet peas are putting on the best show ever.

Up to now we have been praising white clover as a good ground cover and good honey bee pasture but no more because an average

white clover needs more moisture than it gets in this area and a drought like this sets it back till next year. Any white clover that has been on extendicare lawn has shrivelled out of sight and will not show again until next year. It is remarkable how the Haliburton forests fare in this dry season.

An enriching experience.

DISTRICT NEWS

Guilford Pulse Beat

by Bill Wood

Hi neighbours! This is your local reporter with a digest of this past week's news.

Monday, August 9, our West Guilford ladies soft ball team, was defeated by the Haliburton gals by a score of sixteen to five. But on Thursday, our ladies from West Guilford defeated Haliburton eight to six on Guilford turf. The semi-finals are now tied two all, and Monday, the tie-breaking game was played to see which of the two teams go into the finals. Go!! Guilford Go!! (Game score was not available by press time).

The eleventh annual Sisson family reunion, had a lovely turnout, Saturday, at the West Guilford Recreational Centre. One hundred and fifty or more of the Sisson clan came to enjoy the gala event. At the annual meeting the following people were elected into office: President: Steve Sisson, Secretary: Mrs. LaVern Sisson of Willowdale, Treasurer: Mrs. Beryl Burr of Lindsay, Sports and game coordinators: Angela Sisson, Jenny Barry, David Cowen and David Henderson.

The buffet supper arranged and served by Nila, Marion, Lee and Lynn (nee Horsley) was the highlight of the day. The buffet was so well presented that some of the non-Sisson members came to enjoy the meal. A lively dance was held after the supper, that was enjoyed by many of the younger Sissons.

I will be in contact with Reverend Jerry Johnson, to pick up some data, from the Sisson family book, that he is currently writing. The book should make very interesting reading for the Sisson clan.

Wanted: Some one in the Guilford Pulse-Beat area to take over this reporter's job. The position is a lot of fun and very easy to do. All that is needed is a telephone, pencil, and a pad of paper. Paper will be supplied by the Haliburton Echo. The wages are good for the column reporter too! All interested parties are invited to call this reporter at 754-2854 for details and training.

It is with heavy heart that Lady Jean and I, must leave shortly, to seek work in the Windsor area, but with the job situation and the econ-

omy the way it is, we find it most necessary to make this move. Our home is rented for at least the winter season, our children will all be away to college, and as Jean and I have no ties, we decided on

this move to better ourselves for the long winter season. To quote General Douglas MacArthur "I will return". That's all the news for now, so until next week, God bless and take care.

Farm News

Victoria County 4-H Fair
4-H members in Victoria County are looking forward to the Victoria 4-H Fair. This annual event will be held at the Emily Omeme Community Centre, Saturday.

The day is sponsored by the Emily Agricultural Society.

Achievement day for the Omeme 4-H Dairy Calf Club and the Omeme 4-H Beef Calf club will start at 10 a.m. All classes will be shown in the arena.

The Victoria 4-H Garden Club is also having its Achievement Day at the 4-H Fair. Each club member will display a collection of vegetables.

Each 4-H Agricultural

Club in Victoria County will be setting up an educational exhibit. These exhibits will illustrate aspects of agriculture.

The Emily 4-H Pony club will be holding their Achievement Day at 1 p.m. in the pony ring.

4-H Beef and Dairy Calf club members will be showing in the arena in separate rings. Classes will include showmanship, heifer calf classes and steer classes.

In the showmanship competition the top four members in beef and dairy will

represent Victoria County at the Inter-County Show at Lindsay Central Exhibition.

Chatting with Irene

by Irene Moore

Have you ever had tired feet? My feet are still so tired from walking around town, during the Friday 13 sale that even after coming home and changing shoes, I'm still soaking them. I'm sure was fun, and my granddaughters enjoyed it. I even got a hug from the big Smurf, and don't think it won't be returned, when I get the chance.

There was such a crowd that the folk in town left their cars at home and walked. The cars were parked up as far as Cosy Cabins, or farther. When I asked the girls if they wanted to go back down, after a rest they said no, and was I happy. I did go down to hear the Dixieland Ambassadors later, they are fantastic. By the way, I also got some Christmas gifts, believe it or not.

Friends of Mark Vasey will be pleased to know that he is at the Minden Red Cross Hospital now, and we all hope he continues to improve.

The Minden and District Horticultural Flower Show was a success even if there were fewer exhibits than other years; one can blame the weather for that. There were visitors from New Brunswick, Newfoundland, and New York state as well as from the county. The overall winners were: Greg Alexander for the Juniors with 25 points; Margot Ziorgen for the ladies with 83 points; Dick Kirkwood for the men with 11 points.

Gerald and Jean Welch of Florida and Ron and Pat Welch of Frankford spent several days with Edith Welch at her Minden house, then all went to a family reunion at Cobourg last Sunday. Carrie Jones spent several days at Frankford before the reunion, while Edith was at Cobourg. Wendy and Don

Cox and son of West Virginia also attended as well as 40 other guests. Edith and Carrie spent Monday at Frankford, home to Minden on Tuesday.

The Deck Hands from Kingston will be back at Minden Library August 26, at 3 p.m. with two plays - Anansi and the box of stories; legends of Africa, and Eeyore has a birthday; Pooh and Piglet make sure of all birthdays. Don't forget to bring the children to see them.

Howard and Taylor Hogg and their wives visited with Lily Hogg last week-end.

The show of antiques and pictures being shown at the Agnes Jamieson Art Gallery this month is great. All proceeds from this showing will be donated to the work on ont

be donated to the work on the museum. Be sure and go to see these treasures.

Rick Beene, Maud Coulter and Gala Stamp travelled to Toronto Sunday to watch Jeffrey (Boomer) Stamp play hockey. They brought Trevor Rivers back with them for a holiday.

The movie at the Allsaw Pentecostal Church Drive-In Sunday evening will be Climb A Tall Mountain.

Mrs. Lyman Cox and Mrs. Milton Sears joined with other Victoria East members to attend the 85th anniversary luncheon of the Federated Women's Institutes of Ontario, held at the Constellation Hotel in Toronto. All told there were over 1800 members of the Women's Institute present.

Movies will be shown at the Minden Library on August 20, August 27, and September 3, after which they will be shown every two

weeks, unless otherwise stated.

Mr. and Mrs. Jack Berry of Toronto visited with Mr. and Mrs. Don Berry last week.

Minden Library will be closed on September 6, also on September 20, as these two holidays are Labour Day and the local Civic holiday. Be sure and get your books back, or get new ones to last you, until the Library is open again.

Mr. and Mrs. Willis Welch and Bruce spent a week with Bill and Darlene Porter, then stayed at Northern Eagle Camp before returning to Kapuskasing.

Why do they have so many meetings on the same evenings? Wednesday evening I helped a bit at the Horticultural, then went to the Hospital meeting. Credit is due the steering committee for the work they have done. St. Joseph's Hospital has agreed to twin with both Minden and Haliburton hospitals. This is a great step forward as we will remain open, with help when needed.

Thursday evening two more meetings, back to the community centre, then over to the County Fair Board building to get things set up for the County Fair.

A pot luck supper was held July 15 at Zion United Church Educational building. Over 150 people of the Minden, Carnarvon, and Maple Lake congregations met to honour the leaving of Rev. Douglas and Mrs. Miller. The Millers are leaving for their new home in Brampton in the latter part of this month.

Following the supper, Mr. Robert Herlihy chaired the programme. Mrs. Lorne Co-

burn led the sing-song, which was followed by three songs from a Carnarvon trio, then Grace Coburn's solo of May the good Lord bless and keep you. A member of the three congregations, one of the summer residents, and one of the visiting Clergy all brought testimony of the compassion and concern shown by Reverend Miller, not only for his congregation, the community, but the world at large. He was interested in all the churches in Minden. He spearheaded the Vietnam Refugee fund, and still keeps in touch with those we sponsored. He had us write Iran, and Bangladesh for Amnesty International. Lately he had a collection taken to help the families in England of those who lost their lives in the Falkland Islands. A guest book was signed by all present. A fluted porcelain dish made in Haliburton was presented to Mrs. Miller, and a purse of over \$2000 was given to Rev. Miller in appreciation of his work in this area. Rev. Miller will take services once a Sunday in a very old church on Highway 10 and Britannia Road. We all wish them the very best of luck in their new venture.

Adios and take care now.

All softball leagues are now playing

Watch for weekly results.

Gooderham News

by Mary Hadley

Nancy and Bob Vernon with their two children, Melissa and five week-old Jonathan, of Cardinal, visited Sandra and Dale Dovell and other friends in the community last week.

Tammy Dewey has returned to Edmonton after a two week visit with her family and friends. She is employed with the Edmonton City Day Care, having graduated in Early Childhood Education in June.

After a lengthy illness, Lola McColl died last Tuesday, August 10, at Extendicare, Haliburton at the age of 79 years. The former Lola Gill was married to Sandy McColl. After his death she married Albert McColl, who also predeceased her. Surviving are her son, Murray, a

brother, Allan and two sisters, Ethel and Edith. The community extends sincere sympathy in the loss of a loved one. Funeral services were held Wednesday at the Pentecostal Church with Pastor Sauve officiating. Interment took place in the Glamorgan cemetery.

Don't forget the foot clinic in the community centre September 16. After a two month holiday, the clinic recommences in September and continues every third Thursday.

After a successful and happy summer under the leadership of Cammie Hillis and Nadine Adams, the Day Camp activities came to a close with a party Friday.

The previous Wednesday eight of the children travelled in two cars to Peterborough where they spent an

enjoyable day at the zoo, lunched in the park and visited the Liflocks.

Decoration Day services were held at the Glamorgan Cemetery Sunday with Maurice Bradley in charge.

Visitors with Mary Hadley last week were her great-nephew, Bob Colling, his wife, Corinne, and three children of Milton, also Edna and Earl Spence, of Cambridge.

Kinmount Korner

by Millie Moss

Everyone is welcome, at no charge, to attend the Kinmount library, which is the community hall basement, at 1:30 p.m., August 26. The "Deckhands" will once again be on hand to entertain with their puppet show. They are always crowd pleasers so mark this date on your calendar. See you there!

It's nice to see Ruth Menard back at bingo again following her stay at Minden Red Cross hospital.

Bert and Ada Bowrin are now home from hospital and that is good news.

Betty Lonsdale underwent surgery at Ross Memorial hospital in Lindsay recently, but is now coming along nicely.

It was pleasant to have a chat once again with Rose Speck. She was a "Coby" resident for some time, but moved to Unionville two years ago. Her husband had passed away a year previously. Rose and her sister stopped in at the Legion bingo on their way home from a trip to Nova Scotia.

Congratulations to Mrs. Vera Cole of 52 Francis St., Fenelon Falls, who was the happy winner of \$290.00 on the fifty-ninth number at the Kirkfield Lions' Community centre, Tuesday, August 10.

May McNamara of Fenelon Falls along with Lenore Gedge of Peterboro Manor had lunch recently, at the home of Dave and Irene McNamara.

A wedding reception was held at the home of Vivian and Ernie Anderson, Saturday, August 7, in honour of Shelley and Alex Reeds of Lindsay, who were wed Tuesday, August 3. Approximately sixty guests attended.

Sympathy at this time is extended to family and friends of Tom Ludlow of Cobocok who died last week. Sympathy is extended to Mike and Ann Cain, family and friends, after the death of daughter, Monica.

I was sorry to hear Lyle Anderson was a patient in Peterborough hospital. We hope to hear the sick folks are well soon.

The Kinmount and area Horticultural Society will hold their annual flower show on Thursday, at 3 p.m. to 5 p.m. and 7 p.m. to 9

p.m. at the Kinmount Community Hall. Admission adults 75 cents, children 12 and under 25 cents. There will be door prizes and refreshments. Tickets for a raffle will be sold at both shows and a draw for this prize will take place September 16. Come out to our flower show and enjoy the efforts of your local Horticultural Society. You may even wish to become a member. It's fun!

A fun bingo to be held at the Kinmount Legion hall, Wednesday at 8:00 p.m. Then, once again, at the Legion hall, enjoy a salad supper from 4:30 p.m. to 7:00 p.m. Adults \$5.00 and children to 14 years of age \$2.50. In the evening there will be a free dance, so why not make a day of it?

The Kinmount and District Horticultural Society will hold its vegetable, house plant and cake competition show on Thursday, September 16, from 3 p.m. to 5 p.m. and 7 p.m. to 8:30 p.m. at the Canadian Legion Branch 441, Hall, in Kinmount. Admission of seventy-five cents for adults and twenty-five cents for children up to 12 years old, includes refreshments and door prizes. Let's make this the biggest and best year yet.

Joan and Ken Hyams have enjoyed the company of their grandson Ryan Luck of Don Mills, for a couple of weeks.

If you're finding it harder than usual to start your car these days it could be because your key is at the Kinmount Post Office. One car key was picked up on the street last week and turned in at the Post Office.

Welcome home to Frances Gunn and her granddaughter Colleen Janke of RRI, Norland who recently enjoyed a one month vacation in Ireland. They travelled some one thousand miles while there and although they saw some bombed out buildings,

which were under repair, everything seemed peaceful. Colleen said the fields really caught her eye as "they are so small in comparison to ours, more like a house, and all have stone walls around them. There are acres and acres of peat which the

farmers dig with a two sided shovel. It is used for fuel and other things." Colleen says she's like to see it all again.

To the ladies who phoned re the recipe that was named, but not printed last week: hang in there, I'll try it again next week. 488-2399.

Carnarvon News

by BLANCHE WINDSOR

Tom Harrison was here for the week-end and had as his guests, friends from London, Ontario. They were Mr. and Mrs. Don Ridell and two daughters.

Allan Doyle of Orillia, who spent his early years with Mr. and Mrs. Basil Sisson, has won \$100,000 on either a Wintario or Provincial ticket.

Mr. and Mrs. H. Burton spent last week in Oshawa.

Mr. and Mrs. Earl Cooper have left for Scotland. The tickets were a gift from their family and a money tree was given by friends at a surprise party.

Mrs. Basil Sisson of Orillia and her daughter, Ruby Sedore of Belleville, had lunch with Bert and Libby Harrison at the senior citizen's home last Wednesday and then spent a few hours with Minnie and Leigh Sisson.

Some 300 attended the annual summer dinner provided by Carnarvon U.C.W. It was a hot roast beef dinner and everyone seemed to enjoy it.

Mrs. Meribeth Bird of Belleville spent a couple of days with her uncle and aunt, the Windsors.

Luke, infant son of Paul and Eunice Wesley, was christened at the morning service at Zion United Church. After the service relatives gathered at the summer home of his grandmother, Ruby Hvidsten to celebrate the occasion. Luke has a brother Matthew and his father is Paul, so they are sticking to Biblical names.

by ANN MCKAY
Mr. and Mrs. Max McKay were in Pettawawa for a few

days, helping their daughter who has moved there.

Mr. and Mrs. Ken Farrell and their three daughters of Barrie were week-end guests of Mr. and Mrs. Bill O'Reilly. Their son Gordon is visiting in Windsor for a couple of weeks.

Mr. and Mrs. Bob Penrice of Guelph were guests of Mildred and Stan Archer.

Congratulations to Stanhope for their excellent Fly-In and Beef Barbecue. The bus from Hyland Crest arrived with senior citizens where they had special seating. The aircraft put on a great show. How very smart the executives are to keep the entrance fee within reach of all families who can bring their children making a grand family outing.

Mrs. Nancy Fleming of Toronto has been spending her holidays with Velda Harrison.

Mr. and Mrs. Ken Bannon Jr. and daughter of Thunder Bay, formerly of Carnarvon, have spent some time in the area and have gone back to pack as Ken was transferred to the Lindsay area.

Sunday evening the congregations of the three churches gathered at the C.E. building here for a pot luck supper and presentation of gifts to Rev. and Mrs. Miller who will leave the area at the end of August. There was a great turn out with no available seats left. Fran Clark, Joan Fennell and Chris Archer sang some songs together, Grace Cobourn a solo and the evening ended with a general sing song of old favourites. Our best wishes to Rev. and Mrs. Miller in their new charge.

Notice TO Secondary School Students

Registration will take place at Haliburton Highlands Secondary School from Monday, August 30th to Friday, September 3rd, during the hours of

9:00 a.m. to 4:00 p.m.

REGISTRATION WILL INVOLVE:

1. Purchase of a Combination Lock, if required - Cost - \$2.50
2. Payment of \$3.00 Activity Fee.
3. Assignment of Home Room and Locker Number.
4. Receipt of Student Time Tables.

New Students and Adults should Register at this time. School will Commence on TUESDAY, SEPTEMBER 7th, 1982

H.D. Robinson, Principal.

SALE BY VIRTUE OF POWER OF SALE COTTAGE PROPERTY TOWNSHIP OF DUDLEY HALIBURTON COUNTY

The subject property is located approximately eight miles east of Haliburton in the Miskwabi Lake area, designated as Part Lot 15, Concession 2, Plan 482, Lot 164, Township of Dudley.

The subject property is for sale under Power of Sale by virtue of default of realty mortgages.

The cottage is a 3 bedroom, split level having approximately 850 square feet with a full sun deck situated on one-half acre of land.

Arrangements to inspect the property may be made by contacting the Manager, Bank of Montreal, Haliburton. (705) 457-1240.

Written offers, addressed to The Manager, Bank of Montreal, P.O. Box 509, Haliburton, Ontario, KOM 1S0 will be accepted until September 4, 1982.

A certified cheque for 10 percent of the amount offered must be included as a deposit (payable to the Bank of Montreal) and will be retained without interest if the offer is not accepted and sale not completed by the purchaser.

The highest or any offer will not necessarily be accepted.

Dorset News

by Phyllis Briscoe

"To have joy one must share it; happiness was born a twin."

No, we didn't order this weather. What a way for August to behave. Maybe the latter half of the month will behave itself and we will have more warm summer weather. Just a month of summer isn't enough and we're claiming a foul on the weatherman. To get back in our good graces he had better shape up and get sunshine and warmth back into the picture. We're not proud, we're begging.

It was an important day on Sunday, August 8 for the relatives of the late Jim McKey when one of the cottages at Camp Dorset was dedicated in his memory. The event was covered by the Forester Editor, Garth Thomas and a very complete report was given on the front page of last week's Forester, as well as an Editorial and pictures. The ceremony was brief but impressive. The camp itself is impressive and is a great credit to the men and women who have given their time and effort to the project. Leon McKey, Jim's brother is on the Board of Directors and has been very active in the work at the camp since its inception.

A lovely wedding took place on Saturday, August 7, at Knox United church, Dorset, when Kathy McLennan, daughter of Jennie and the late Marvin McLennan was

married to Reverend Kim Wright, Pastor of the Lake of Bays charge of the United Church. Kathy's maid-of-honour was her sister, Mary Ellen Kennedy and her bridesmaids were her sister-in-law, Melanie McLennan, Bonnie Morris, Leslie and Beth Brown. The best man was Paul McLennan. There was a reception following the service at the home of Ruth and John McLennan on Paint Lake. The happy couple left on a motor trip to the east coast and will reside at the Manse at Hillside on their return.

The Lion's Bingo is still happening every Monday and Thursday at 8 p.m. at the Dorset Community Centre. The \$100. jackpot was won by a young lady last week, so the second hundred is on tap ready to be taken. The proceeds of these events go to the Community Centre building fund, so come out and support the cause.

Who said the big ones are all gone? Wendy Heine and Ian Ramsey, of Toronto, were trolling on Kawagama (Hollow) Lake a week ago when Wendy felt a tug on her line. She was using a nylon line and a Williams Wabber. She started reeling it in and thought it felt pretty heavy but wasn't prepared for the huge fish that came up along side of the boat. It took about 30 minutes to get it in sight, but it didn't give too much of a fight, in spite of its size.

They didn't have a net and were puzzled as to how they would land it. But being an ingenious pair they did the best with what they had. Wendy grabbed a life jacket and got it under the front part of the fish and Ian took hold of the tail and they lifted it into the boat. Incidentally, it weighed in at thirty-two pounds. Some catch.

There have also been a

good number of fish caught in the Dorset area of Lake of Bays, near and in Rabbits Bay. The fish have been ranging in size from nine to 13 pounds. So there is still good fishing in these parts in spite of talk of acid rain and the lakes being fished out.

H.H. To prevent salt shaker from clogging up put 5 to 10 grains of rice in shaker.

Gooderham News

from page 9

Holidaying on Pine Lake, last week were: Sylvan and Dorla Bitner of Pittsburgh, Mary Halcombe of Oshawa and Madeline Harrison of Sunderland. The Bitners, accompanied by Beulah and Gordon Barr, enjoyed a trip through Algonquin Park while here.

Rosaline and Preston Scott of Lindsay, with their daughter Karen, her husband, Bill, and their family, spent some time at their cottage on Pine Lake last week.

Ruth and Robert Madill of Clinton, their son, Paul, daughter Cindy, with her family and girlfriend, spent

some holidays with Ruth's mother, Violet Billings.

Paul and Laura McQuillan of St. Catharines, with their family, spent last week with Paul's grandmother, Claribel Sheehan.

Birdie and Larry McGahey of Barrie, their daughter, Cindy, and son, Larry, with his girlfriend, spent last week-end at their cottage in the village and visited Birdie's mother, Ruby Maxwell.

Nora Carey had a pleasant holiday when she visited her daughter, Becky, and husband Al McGarrity at Port Dover, and another daughter, Doris, and her husband Percy Lyons at Oshawa.

Municipality of Dysart et al

NOTICE OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND

IN THE MATTER OF an application by the Corporation of the United Townships of Dysart, Dudley, Harcourt, Guilford, Harburn, Bruton, Havelock, Eyre and Clyde for approval to expropriate land being Part of Lot 3, Concession 6, Part of the original allowance for road along the shore of Kashagawigamog Lake in front of Lot 3, Concession 6, in the Township of Dysart, in the Provisional County of Haliburton for Municipal purposes.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the land described as follows:

All and singular that certain parcel or tract of land situate, lying and being all that Part of Lot 3, Concession 6, in the Township of Dysart, in the Provisional County of Haliburton and being more particularly described as Part 1 and Part 2 on the Expropriation Plan prepared by Paul Wilson, O.L.S. and dated July 30, 1982 and available for inspection at the Dysart Municipal Office, Haliburton, Ontario and in addition, all that Part of the original allowance for road along the shore of Kashagawigamog Lake in front of Lot 3, Concession 6, in the Township of Dysart, in the Provisional County of Haliburton and being more particularly described as Part 3 and Part 4 on the Expropriation Plan prepared by Paul Wilson, O.L.S. and dated July 30, 1982 and available for inspection at the Dysart Municipal Office, Haliburton, Ontario.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing.

(a) in the case of a registered owner, served personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

The approving authority is the Council of the Corporation of the United Townships of Dysart, Dudley, Harcourt, Guilford, Harburn, Bruton, Havelock, Eyre and Clyde, Maple Avenue, Haliburton, Ontario KOM 1S0.

THE CORPORATION OF THE UNITED TOWNSHIPS OF DYSART, DUDLEY, HARCOURT, GUILFORD, HARBURN, BRUTON, HAVELOCK, EYRE AND CLYDE.

Notes:

1. The Expropriations Act provides that, (a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;

(b) the inquiry officer, (i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200.00 and the approving authority may in its discretion, order the expropriating authority to pay such costs forthwith.

2. "owner" and "registered owner" are defined in the Act as follows:

"owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

THIS NOTICE first published on the 11th day of August, 1982.

Municipality of Dysart et al

NOTICE OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND

IN THE MATTER OF an application by the Corporation of the United Townships of Dysart, Dudley, Harcourt, Guilford, Harburn, Bruton, Havelock, Eyre and Clyde for approval to expropriate land being part of Lot 19, Concession IX, in the Township of Dysart, in the Provisional County of Haliburton for Municipal purposes being an extension to the Township cemetery.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the land described as follows:

All and Singular that certain parcel or tract of land, situate, lying and being Part of Lot 19, Concession IX, in the Township of Dysart and being more particularly described as Part 1 together with a right-of-way in, over, along and upon Part 2 on the Expropriation Plan by Paul Wilson, O.L.S., and dated April 1, 1981 and available for inspection at the Township Municipal office.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing.

(a) in the case of a registered owner, served personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

Trent Severn

The week ending August 9 saw the Reservoir Lakes recede to 77 per cent from 79.7 per cent on August 3. This rate was a little less than the normal average decline of .5 per cent per day due to rain effects on the Kawartha's. The dull showery weather of Thursday and Friday may have slowed the evaporation somewhat though Lake Simcoe-Couchiching appears to have dropped 1 cm per day all week, about three times the outflow rate.

an the effects of the rains disappeared. A large flow was set last Tuesday and still more was required by Friday to stop the decline of the Kawartha's. The dull showery weather of Thursday and Friday may have slowed the evaporation somewhat though Lake Simcoe-Couchiching appears to have dropped 1 cm per day all week, about three times the outflow rate.

26. PERSONAL

TO TED AND CAROL DUNCAN: "Happy 40th Anniversary MOM AND DAD. Sorry I can't be there." Love, Heather. 26-B-18

WOULD YOUR LIFE be more rewarding with a happy productive relationship? I am an interesting, insightful, humorous, empathic, successful attractive man, 5 foot 5 inches in my late 30's. My tastes range from Eugene O'Neill, Judy Collins, to exotic travel and interesting discussion over dapper sole Amandine with imported white wine. I am looking for an attractive, bright lady, soul-mate and am capable of a beautiful relationship. If interested reply to Box 54, Station T, Toronto, M5B 3Z9. All replies answered within 250 km of Toronto. P.S. Thank you for reading my advertisement. 26-NC-18

27. THANK YOU

I would like to take this opportunity to express my sincere thanks to all my friends and neighbours for their kindness during my illness.

A special thanks to Dr. Heyes and Dr. Pierce, the nurses and the staff at Haliburton Red Cross Hospital. Thanks to my son John, Kosy Korner, The Coffee Gang, The Varty Family. Thank you all so very much. **Fran Thompson** 27-P-18

Thanks to everyone who was so kind while I was in hospital. Thank you to Dr. Pierce, Dr. Heyes, Dr. Belch, Dr. V. Lee and staff of 3D St. Joseph's Hospital, Peterborough, also to friends, relatives and neighbours for the many lovely cards, flowers, visits, gifts, food, babysitting, house cleaning etc. Also to my family for everything that was done at home. **Freda V. Davis** 27-B-18

27. THANK YOU

SMITH: The family of the late Gladys Evelene (LaPorte) Smith wish to extend their sincere thanks and appreciation to friends, neighbours and relatives for their many acts of kindness, prayers, floral donations, food donations, donations to the Ontario Heart Fund, cards and sympathy shown during the loss of a loving wife, mother, mother-in-law, grandmother and great grandmother.

Special thanks to Rev. Stan Rukin, ladies of the Haliburton Full Gospel Lighthouse for the lovely lunch served after the funeral and Gord Monk Funeral Home. Your thoughtfulness will always be remembered. **The LaPorte-Smith families** 27-P-18

The family of the late Pearl Elstone extends their sincere thanks to all their relatives, friends and neighbours for their expressions of sympathy, and for their help and support during their recent loss.

Special thanks to all the doctors and nurses at the Haliburton Red Cross Hospital, Peterborough Civic Hospital, and St. Michael's Hospital in Toronto for their constant and loving care, to Rev. John Phillips for his comfort and support, to the ladies of the ACV in Haliburton for their lovely lunch after the service, and to Gordon Monk Funeral Home for their kindness and guidance. Your kindness will always be remembered. **Sincerely, George Elstone and Family** 27-CA-18

31. DEATH NOTICES

AT REST At St. Michael's Hospital, Toronto on Wednesday, August 11, 1982

PEARL ISABELLA ELSTONE

In her 66th year. Beloved wife of George Elstone of RR 2, Haliburton; dear mother of Vernon of Peterborough, Margaret (Mrs. E. Dayholos) of Agincourt, James of Maple Lake, Richard of Haliburton, John of Oshawa and Mary (Mrs. D. Gardiner) of Cambridge; loving grandmother of nine grandchildren; and dear sister of Bessie, Dave and Maxwell, and predeceased by Harry.

Rested at the Gordon A. Monk Funeral Home, Minden, from 2 p.m. Friday until 11 a.m. Saturday, August 14, thence to St. George's Anglican Church, Haliburton, for funeral service at 1:30 p.m. Interment at Evergreen Cemetery, Haliburton. 31-CA-18

AT REST

at Port Hope & District Hospital, Sunday, August 15, 1982

VIVAN ERNEST SILVER

Beloved husband of Eva Sophia Sherman, beloved father of Shirley (Mrs. Ken Young), Port Hope, Taran (Mrs. Bill Wharram), Ottawa and Bryan, Calgary, Alberta. Loving grandfather of Dale, Mark, Tara, Evan, Scott & Matthew. Loving brother of Mrs. Laurine Sherman, Belleville, Cora (Mrs. Bill Bugue), Wallaceburg, Myrtle (Mrs. Ross Tompkins), Lindsay, Mrs. Verla Williams, Campbellcroft and Clara (Mrs. Dave Campbell), Oakwood. Predeceased by his parents, Egbert and Nellie Silver, by his sister Hazel and his brothers, William, Peter and Clarence.

Friends may call at the Ross Funeral Chapel, 135 Walton Street, Port Hope, Monday afternoon 2 to 4 and from 7 to 9 in the evening. Service in St. John's Anglican Church, Port Hope, Tuesday at 11 a.m. Interment, Evergreen Cemetery, Haliburton.

In memoriam donations to the charity of your choice would be appreciated. 31-P-18

32. IN MEMORIAM

MCPHAIL. In loving memory of a dear son, **Ronald McPhail**, who went to be with Jesus August 20, 1981.

We are thinking of you today, Ron. But that is nothing new. We thought about you yesterday. And the day before that too. We will think of you tomorrow. And each day as we come and go. We will think of you forever. We love and miss you so. Your end, it came so suddenly. No time to say goodbye; You were gone before we knew it. And only God knows why. Dear God, take this message. To our son in Heaven above. Tell him how much we miss him. And give him all our love. Each time we see your picture. You seem to smile and say, "Don't cry, Mom and Dad, I'm only sleeping. We'll meet in Heaven some day." Always remembered by Mom and Dad, Faye and David McPhail. 32-P-18

MCPHAIL - In loving memory of a dear grandson and nephew, **Ronnie**, who passed away August 20, 1981.

One year has passed since you left us. Our hearts still ache for you. So many memories come rushing back. And start the tears anew. It is not for us to question. Or know the reason why. But we know someday we'll meet you in that Home beyond the sky.

Sadly missed by grandma, Elsie McPhail, also aunts and uncles. 32-P-18

In loving memory of **Joshua Pickens**, who passed away August 18, 1975.

To a beautiful garden Our loved ones have gone To a land of perfect rest Their work is done and the setting sun Has sealed their life's long quest. Ever remembered, Mae and family. 32-P-18

SIMS, Verlie - In loving memory of our dear wife, mother and grandmother who passed away August 16, 1981.

Her life is a beautiful memory. Her death is a silent grief. She sleeps in God's beautiful garden, in sunshine of perfect peace; We miss her, oh how well. But realize God knew best. He let us have her many years. Then gently bade her rest. Sadly missed by Owen, Dennis, Martha and grandchildren. 32-P-18

A, H, M discuss municipal matters at regular meeting

from page 1

to the Business Improvement Area Program as proposed by Totten Sims Hubicki Assoc. in a report from G. Crosby dated June 9, 1982 and that the study include extending the sidewalk beyond the boundaries of the B.I.A. to the hospital and Dr.'s office on the Bobcaygeon Road South and to the Senior Citizen's apartment on the Bobcaygeon Road North.

Neil Burk was present on behalf of the Minden Baseball Tournament Committee requesting permission to close the concession road to the baseball diamond.

Council had no objections to closing the concession

road between Lots 5 and 6, Concession A in the Township of Minden from August 13 to 15 for the purposes of the annual baseball tournament.

Council had no objections to Ambro Materials and Construction opening and removing granular material from the Andy Stevens gravel pit located in Lot 9, Concession IV of Minden Township providing a large buffer zone of trees is left to protect the surrounding property owners from excessive noise and the crusher be set up as close to the rear of the pit as possible.

Council agreed in principle to rezone property in part of Lot 14, Concession 13 in

Minden Township from R3 to GC to permit the operation of a coin laundry.

The following individuals attended Council and expressed their concerns and objections regarding the proposed road closing: Jim

Sampson, President, 12 Mile and Little Boshkung Lake Association; Murray Skinkle, landowner immediately adjoining the proposed turn-around; Fred Funston, individual landowner; Jim Malcolmson, individual

landowner presented petition against road closing; and Herb Ireland, Trent Severn Waterway.

The municipality abandoned the application to close a portion of the Old Twelve Mile Lake West Road

fronting Hart Lodge.

Phill Graham was appointed to the Public Utilities Committee for the townships as the citizen's representative.

Deputy-Reeve Pritchard declared an interest in

cheque #7354 and refrained from discussion or voting thereon.

The following accounts were approved for payment: general \$58,492.84, water \$2,615.67, sewer \$11,069.34. The PWD accounts for the

month of July were approved for payment in the amount of \$85,077.89.

By-law 82-28 was read a first time, was considered as read a second and third time and passed.

Men's softball playoffs

The Haliburton recreational men's softball playoffs began last night (Tuesday).

The first place team, Beachli Construction, met the fourth place team, Curry Motors. The second place team, Haliburton Lumber squared off against third place Kennedy Surplus. The legionnaires were put out of the playoffs, after finishing the season in last place.

The playoffs are played in double headers Tuesday and Thursday at 7 and 9 p.m.

The winners of the best two out of three matches will meet in the championship competition.

Sherborne holds council meeting

The regular council of Sherborne, McClintock and Livingstone was held July 26.

The minutes for the last regular meeting of Council dated July 12 were approved as circulated.

Council received "Direction and Authorization" from Mr. and Mrs. Leon Lambert in respect to Parts 1, 2, 3, 4, 5 and 6, Reference Plan 19R-1451, Township of McClintock. The clerk was directed to obtain solicitor Jim Cruickshank's comments as to contents of this document

and the concern of right-of-way allowance.

Mrs. J. London read a statement from McComb Point Road Ratepayers in respect to winter parking facilities to be considered by the local council. Submitted along with the statement was a signed petition from residents of McComb Point Road who are concerned about the accessibility of their property. Residents proposed that Council, in order to eliminate the recurrence of illegal parked ve-

hicles being towed away, allocate a portion of the group's tax dollars to provide a municipal winter parking lot for the use of McComb Point Ratepayers.

Reeve Fred Baum indicated further research will have to be undertaken before a decision could be made.

The clerk was directed to submit the Operating Program prepared by Roads Dept. in respect to Waste Disposal Sites within the Twp. jurisdiction to the Min-

istry of Environment for comment.

Norman McGuire, ratepayer with property situated on the old section of County Road #8 along lakeshore pointed out that he would like that section of road stopped up, closed and sold. Council felt a site inspection would be beneficial. This inspection took place during the lunch break of Council.

Queen's Park

Cont'd. page 5

approved. The Enterprise Development Board which traditionally must approve such loans would not even consider the request, as the firm was felt to be too high a risk. Cabinet decided they knew better than their officials what companies deserved loan guarantees.

In the same vane, this week Defence Minister Gilles Lamontagne was asked why he has just moved the headquarters of Canada's naval reserve to Quebec City, where he once was mayor, from Halifax. His explanation was that the Government wants to attract more Quebec francophones into the reserve. Apparently, according to Mr. Lamontagne, it was not convenient to Quebec francophones to have the naval reserve in Halifax. He said, "It is a long way to go home for holidays". I am sure the residents of Quebec must feel slighted that the Minister would use them in such a feeble excuse for playing politics with our Navy. Constituencies represented by Cabinet Ministers obviously qualify to be part of the more equal group of Canadians. This same logic was illustrated in the announcement on July 28 by Lloyd Axworthy that 33 constituencies have been singled out to receive additional retraining funding under the Canada Community Development Program. It was no coincidence that 32 of the 33 are represented by Liberal M.P.'s. The Cabinet's decision to consider joining the Airbus consortium may create new jobs in Liberal held Quebec constituencies, but what they are not saying is that it may cause the loss of many jobs in non-liberal held ridings in Ontario and Manitoba. This is another case where liberal held ridings are considered more in need.

While this Liberal Government may brag of its caucus solidarity, it must get down on bended knees and apologize for its inconsistency, corruption and mismanagement. As it has no intention of doing so, Canadians must make them realize they have lost the confidence of the people. I urge Canadians to write to Mr. MacEachen and the Prime Minister and tell them how their policies are affecting them. They work for the Canadians, it is time they took direction from Canadians.
